

2022-2023 ANNUAL TEACHER SURVEY

MN RESPONSE SUMMARY

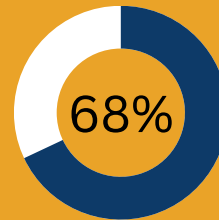

The 2022-2023 Annual Teacher Survey had
485 respondents

who taught in Minnesota schools.

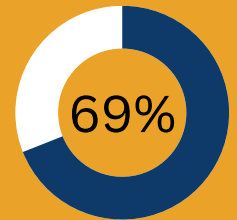

While 72% reported receiving some material or financial classroom support from their school, 75% received \$250 or less and 79% reported the materials lasting half the school year or less.

% of students without necessary supplies **on first day**

% of students without necessary supplies **at home**

% of students without **2nd semester replacement** supplies

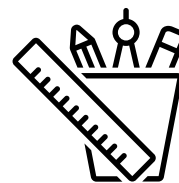

100% of respondents reported spending money out of pocket on their students and classrooms in the 2022-2023 school year, with 58% spending \$250 or more

CRITICALLY IMPORTANT

Respondents overwhelmingly described the KINFTRC as "critically" or "very" important to **improving the quality of their teaching** as well as their **students' class participation, class preparedness, confidence levels, interest in learning, self-esteem, and social engagement.**

Top 10 Requested Supplies

- Pencils
- Markers
- Notebooks
- Folders
- Dry erase markers
- Crayons
- Paper
- Glue sticks
- Colored pencils
- Books (non-textbooks)

54%

of respondents said they **considered leaving teaching** as a profession in the 2022-2023 school year as a result of feeling under-resourced and under-supported.

“

My students feel welcome and supported in my classroom because they know they will be able to participate regardless of their family circumstances.
- KINFTRC supported middle school teacher in Woodbury, MN
