S.F. No. 3512 – Cosmetology provisions modification - as proposed to be amended by the A-1 amendment.

Author: Senator Bobby Joe Champion

Prepared by: Stephanie James, Senate Counsel (651/296-0103)

Date: March 6, 2024

This summary is drawn to the bill as proposed to be amended by the A-1. With adoption of the amendment, section 1 in the bill as introduced will become section 2; section 2 in the bill as introduced will become section 3. The summary below reflects this renumbering of existing sections.

Section 1 [Textured hair; 155A.23, subd. 22] adds a definition for “textured hair” to the list of definitions applicable to the Cosmetologist Examiners chapter.

Section 2 [Qualifications; 155A.27, subd. 2] specifies that a person applying for a license as a cosmetologist, hair technician, manager, or instructor, must have completed training on hair properties of hair of all types, textures, and volumes, and have experience providing services to people with hair of all types, textures, and volumes.

Section 3 [Training; 155A.2705, subd. 3] adds specificity to training requirements for hair technicians to require that the 300 hours of hair cutting and styling experience and the 300 hours of chemical hair services include adequate training on textured hair.

Section 4 [Standards; 155A.30, subd. 2] specifies that theory and practical curriculum for cosmetologists and hair technicians must include textured hair.
