(b) Local units of government that desire to impose additional requirements shall, prior
to adoption of relevant ordinances, rules, or regulations, furnish the board director with a
copy of the proposed ordinances, rules, or regulations, along with information that
affirmatively substantiates that the proposed ordinances, rules, or regulations:
(1) will in no way conflict with the relevant rules of the board office;
(2) will establish additional requirements tending to protect the public health;
(3) will not diminish public access to ambulance services of acceptable quality; and

10.8 (4) will not interfere with the orderly development of regional systems of emergency10.9 medical care.

10.10 (c) The board director shall base any decision to approve or disapprove local standards
10.11 upon whether or not the local unit of government in question has affirmatively substantiated
10.12 that the proposed ordinances, rules, or regulations meet the criteria specified in paragraph
10.13 (b).

10.14 **EFFECTIVE DATE.** This section is effective January 1, 2025.

10.15 Sec. 12. Minnesota Statutes 2022, section 144E.19, subdivision 3, is amended to read:

10.16 Subd. 3. **Temporary suspension.** (a) In addition to any other remedy provided by law, 10.17 the <u>board director</u> may temporarily suspend the license of a licensee after conducting a 10.18 preliminary inquiry to determine whether the <u>board director</u> believes that the licensee has 10.19 violated a statute or rule that the <u>board director</u> is empowered to enforce and determining 10.20 that the continued provision of service by the licensee would create an imminent risk to 10.21 public health or harm to others.

(b) A temporary suspension order prohibiting a licensee from providing ambulance
service shall give notice of the right to a preliminary hearing according to paragraph (d)
and shall state the reasons for the entry of the temporary suspension order.

(c) Service of a temporary suspension order is effective when the order is served on the
licensee personally or by certified mail, which is complete upon receipt, refusal, or return
for nondelivery to the most recent address provided to the board director for the licensee.

(d) At the time the board director issues a temporary suspension order, the board director
shall schedule a hearing, to be held before a group of its members designated by the board,
that shall begin within 60 days after issuance of the temporary suspension order or within
15 working days of the date of the board's director's receipt of a request for a hearing from
a licensee, whichever is sooner. The hearing shall be on the sole issue of whether there is

a reasonable basis to continue, modify, or lift the temporary suspension. A hearing underthis paragraph is not subject to chapter 14.

(e) Evidence presented by the board director or licensee may be in the form of an affidavit.
The licensee or the licensee's designee may appear for oral argument.

(f) Within five working days of the hearing, the board director shall issue its order and,
if the suspension is continued, notify the licensee of the right to a contested case hearing
under chapter 14.

(g) If a licensee requests a contested case hearing within 30 days after receiving notice
under paragraph (f), the board director shall initiate a contested case hearing according to
chapter 14. The administrative law judge shall issue a report and recommendation within
30 days after the closing of the contested case hearing record. The board director shall issue
a final order within 30 days after receipt of the administrative law judge's report.

11.13 **EFFECTIVE DATE.** This section is effective January 1, 2025.

11.14 Sec. 13. Minnesota Statutes 2022, section 144E.27, subdivision 5, is amended to read:

Subd. 5. Denial, suspension, revocation. (a) The board director may deny, suspend,
revoke, place conditions on, or refuse to renew the registration of an individual who the
board director determines:

(1) violates sections 144E.001 to 144E.33 or the rules adopted under those sections, an
agreement for corrective action, or an order that the board director issued or is otherwise
empowered to enforce;

11.21 (2) misrepresents or falsifies information on an application form for registration;

(3) is convicted or pleads guilty or nolo contendere to any felony; any gross misdemeanor
relating to assault, sexual misconduct, theft, or the illegal use of drugs or alcohol; or any
misdemeanor relating to assault, sexual misconduct, theft, or the illegal use of drugs or
alcohol;

(4) is actually or potentially unable to provide emergency medical services with
reasonable skill and safety to patients by reason of illness, use of alcohol, drugs, chemicals,
or any other material, or as a result of any mental or physical condition;

(5) engages in unethical conduct, including, but not limited to, conduct likely to deceive,
defraud, or harm the public, or demonstrating a willful or careless disregard for the health,
welfare, or safety of the public;

11.32 (6) maltreats or abandons a patient;

12.1 (7) violates any state or federal controlled substance law;

(8) engages in unprofessional conduct or any other conduct which has the potential for
causing harm to the public, including any departure from or failure to conform to the
minimum standards of acceptable and prevailing practice without actual injury having to
be established;

12.6 (9) provides emergency medical services under lapsed or nonrenewed credentials;

(10) is subject to a denial, corrective, disciplinary, or other similar action in another
jurisdiction or by another regulatory authority;

(11) engages in conduct with a patient that is sexual or may reasonably be interpreted
by the patient as sexual, or in any verbal behavior that is seductive or sexually demeaning
to a patient; or

(12) makes a false statement or knowingly provides false information to the board
 <u>director</u>, or fails to cooperate with an investigation of the board <u>director</u> as required by
 section 144E.30-; or

(13) fails to engage with the health professionals services program or diversion program
 required under section 144E.287 after being referred to the program, violates the terms of
 the program participation agreement, or leaves the program except upon fulfilling the terms
 for successful completion of the program as set forth in the participation agreement.

(b) Before taking action under paragraph (a), the board director shall give notice to an
individual of the right to a contested case hearing under chapter 14. If an individual requests
a contested case hearing within 30 days after receiving notice, the board director shall initiate
a contested case hearing according to chapter 14.

(c) The administrative law judge shall issue a report and recommendation within 30
days after closing the contested case hearing record. The board director shall issue a final
order within 30 days after receipt of the administrative law judge's report.

(d) After six months from the board's director's decision to deny, revoke, place conditions
on, or refuse renewal of an individual's registration for disciplinary action, the individual
shall have the opportunity to apply to the board director for reinstatement.

12.29 **EFFECTIVE DATE.** This section is effective January 1, 2025.

13.1 Sec. 14. Minnesota Statutes 2022, section 144E.28, subdivision 5, is amended to read:

Subd. 5. Denial, suspension, revocation. (a) The board <u>director</u> may deny certification
or take any action authorized in subdivision 4 against an individual who the board <u>director</u>
determines:

(1) violates sections 144E.001 to 144E.33 or the rules adopted under those sections, or
an order that the board director issued or is otherwise authorized or empowered to enforce,
or agreement for corrective action;

13.8 (2) misrepresents or falsifies information on an application form for certification;

(3) is convicted or pleads guilty or nolo contendere to any felony; any gross misdemeanor
relating to assault, sexual misconduct, theft, or the illegal use of drugs or alcohol; or any
misdemeanor relating to assault, sexual misconduct, theft, or the illegal use of drugs or
alcohol;

(4) is actually or potentially unable to provide emergency medical services with
reasonable skill and safety to patients by reason of illness, use of alcohol, drugs, chemicals,
or any other material, or as a result of any mental or physical condition;

(5) engages in unethical conduct, including, but not limited to, conduct likely to deceive,
defraud, or harm the public or demonstrating a willful or careless disregard for the health,
welfare, or safety of the public;

13.19 (6) maltreats or abandons a patient;

13.20 (7) violates any state or federal controlled substance law;

(8) engages in unprofessional conduct or any other conduct which has the potential for
causing harm to the public, including any departure from or failure to conform to the
minimum standards of acceptable and prevailing practice without actual injury having to
be established;

13.25 (9) provides emergency medical services under lapsed or nonrenewed credentials;

(10) is subject to a denial, corrective, disciplinary, or other similar action in another
jurisdiction or by another regulatory authority;

(11) engages in conduct with a patient that is sexual or may reasonably be interpreted
by the patient as sexual, or in any verbal behavior that is seductive or sexually demeaning
to a patient; or

- (12) makes a false statement or knowingly provides false information to the board director
 or fails to cooperate with an investigation of the board director as required by section
 14.3 144E.30-; or
- (13) fails to engage with the health professionals services program or diversion program
 required under section 144E.287 after being referred to the program, violates the terms of
 the program participation agreement, or leaves the program except upon fulfilling the terms
 for successful completion of the program as set forth in the participation agreement.
- (b) Before taking action under paragraph (a), the board director shall give notice to an
 individual of the right to a contested case hearing under chapter 14. If an individual requests
 a contested case hearing within 30 days after receiving notice, the board director shall initiate
 a contested case hearing according to chapter 14 and no disciplinary action shall be taken
 at that time.
- (c) The administrative law judge shall issue a report and recommendation within 30
 days after closing the contested case hearing record. The board director shall issue a final
 order within 30 days after receipt of the administrative law judge's report.
- (d) After six months from the board's director's decision to deny, revoke, place conditions
 on, or refuse renewal of an individual's certification for disciplinary action, the individual
 shall have the opportunity to apply to the board director for reinstatement.
- 14.19 **EFFECTIVE DATE.** This section is effective January 1, 2025.
- 14.20 Sec. 15. Minnesota Statutes 2022, section 144E.28, subdivision 6, is amended to read:

Subd. 6. **Temporary suspension.** (a) In addition to any other remedy provided by law, the <u>board director</u> may temporarily suspend the certification of an individual after conducting a preliminary inquiry to determine whether the <u>board director</u> believes that the individual has violated a statute or rule that the <u>board director</u> is empowered to enforce and determining that the continued provision of service by the individual would create an imminent risk to public health or harm to others.

- (b) A temporary suspension order prohibiting an individual from providing emergency
 medical care shall give notice of the right to a preliminary hearing according to paragraph
 (d) and shall state the reasons for the entry of the temporary suspension order.
- (c) Service of a temporary suspension order is effective when the order is served on the
 individual personally or by certified mail, which is complete upon receipt, refusal, or return
 for nondelivery to the most recent address provided to the <u>board director</u> for the individual.

(d) At the time the board director issues a temporary suspension order, the board director
shall schedule a hearing, to be held before a group of its members designated by the board,
that shall begin within 60 days after issuance of the temporary suspension order or within
15.4 15 working days of the date of the board's director's receipt of a request for a hearing from
the individual, whichever is sooner. The hearing shall be on the sole issue of whether there
is a reasonable basis to continue, modify, or lift the temporary suspension. A hearing under
this paragraph is not subject to chapter 14.

AGW

(e) Evidence presented by the <u>board director</u> or the individual may be in the form of an
affidavit. The individual or individual's designee may appear for oral argument.

(f) Within five working days of the hearing, the board director shall issue its order and,
if the suspension is continued, notify the individual of the right to a contested case hearing
under chapter 14.

(g) If an individual requests a contested case hearing within 30 days of receiving notice
under paragraph (f), the board director shall initiate a contested case hearing according to
chapter 14. The administrative law judge shall issue a report and recommendation within
30 days after the closing of the contested case hearing record. The board director shall issue
a final order within 30 days after receipt of the administrative law judge's report.

15.19 Sec. 16. Minnesota Statutes 2022, section 144E.285, subdivision 6, is amended to read:

Subd. 6. **Temporary suspension.** (a) In addition to any other remedy provided by law, the <u>board director</u> may temporarily suspend approval of the education program after conducting a preliminary inquiry to determine whether the <u>board director</u> believes that the education program has violated a statute or rule that the <u>board director</u> is empowered to enforce and determining that the continued provision of service by the education program swould create an imminent risk to public health or harm to others.

(b) A temporary suspension order prohibiting the education program from providing
emergency medical care training shall give notice of the right to a preliminary hearing
according to paragraph (d) and shall state the reasons for the entry of the temporary
suspension order.

(c) Service of a temporary suspension order is effective when the order is served on the
education program personally or by certified mail, which is complete upon receipt, refusal,
or return for nondelivery to the most recent address provided to the <u>board director</u> for the
education program.

(d) At the time the board director issues a temporary suspension order, the board director
shall schedule a hearing, to be held before a group of its members designated by the board,
that shall begin within 60 days after issuance of the temporary suspension order or within
15 working days of the date of the board's director's receipt of a request for a hearing from
the education program, whichever is sooner. The hearing shall be on the sole issue of whether
there is a reasonable basis to continue, modify, or lift the temporary suspension. A hearing
under this paragraph is not subject to chapter 14.

(e) Evidence presented by the <u>board director</u> or the individual may be in the form of an
affidavit. The education program or counsel of record may appear for oral argument.

(f) Within five working days of the hearing, the board director shall issue its order and,
if the suspension is continued, notify the education program of the right to a contested case
hearing under chapter 14.

(g) If an education program requests a contested case hearing within 30 days of receiving
notice under paragraph (f), the board director shall initiate a contested case hearing according
to chapter 14. The administrative law judge shall issue a report and recommendation within
30 days after the closing of the contested case hearing record. The board director shall issue
a final order within 30 days after receipt of the administrative law judge's report.

23.1 Sec. 4. Minnesota Statutes 2023 Supplement, section 152.126, subdivision 6, is amended
23.2 to read:

Subd. 6. Access to reporting system data. (a) Except as indicated in this subdivision,
the data submitted to the board under subdivision 4 is private data on individuals as defined
in section 13.02, subdivision 12, and not subject to public disclosure.

(b) Except as specified in subdivision 5, the following persons shall be considered
permissible users and may access the data submitted under subdivision 4 in the same or
similar manner, and for the same or similar purposes, as those persons who are authorized
to access similar private data on individuals under federal and state law:

(1) a prescriber or an agent or employee of the prescriber to whom the prescriber has
delegated the task of accessing the data, to the extent the information relates specifically to
a current patient, to whom the prescriber is:

23.13 (i) prescribing or considering prescribing any controlled substance;

23.14 (ii) providing emergency medical treatment for which access to the data may be necessary;

(iii) providing care, and the prescriber has reason to believe, based on clinically validindications, that the patient is potentially abusing a controlled substance; or

(iv) providing other medical treatment for which access to the data may be necessary
for a clinically valid purpose and the patient has consented to access to the submitted data,
and with the provision that the prescriber remains responsible for the use or misuse of data
accessed by a delegated agent or employee;

(2) a dispenser or an agent or employee of the dispenser to whom the dispenser has
delegated the task of accessing the data, to the extent the information relates specifically to
a current patient to whom that dispenser is dispensing or considering dispensing any
controlled substance and with the provision that the dispenser remains responsible for the
use or misuse of data accessed by a delegated agent or employee;

(3) a licensed dispensing practitioner or licensed pharmacist to the extent necessary todetermine whether corrections made to the data reported under subdivision 4 are accurate;

(4) a licensed pharmacist who is providing pharmaceutical care for which access to the
data may be necessary to the extent that the information relates specifically to a current
patient for whom the pharmacist is providing pharmaceutical care: (i) if the patient has
consented to access to the submitted data; or (ii) if the pharmacist is consulted by a prescriber
who is requesting data in accordance with clause (1);

(5) an individual who is the recipient of a controlled substance prescription for which
data was submitted under subdivision 4, or a guardian of the individual, parent or guardian
of a minor, or health care agent of the individual acting under a health care directive under
chapter 145C. For purposes of this clause, access by individuals includes persons in the
definition of an individual under section 13.02;

AGW

(6) personnel or designees of a health-related licensing board listed in section 214.01,
subdivision 2, or of the <u>Office of Emergency Medical Services Regulatory Board</u>, assigned
to conduct a bona fide investigation of a complaint received by that board <u>or office that</u>
alleges that a specific licensee is impaired by use of a drug for which data is collected under
subdivision 4, has engaged in activity that would constitute a crime as defined in section
152.025, or has engaged in the behavior specified in subdivision 5, paragraph (a);

24.12 (7) personnel of the board engaged in the collection, review, and analysis of controlled
24.13 substance prescription information as part of the assigned duties and responsibilities under
24.14 this section;

(8) authorized personnel under contract with the board, or under contract with the state
of Minnesota and approved by the board, who are engaged in the design, evaluation,
implementation, operation, or maintenance of the prescription monitoring program as part
of the assigned duties and responsibilities of their employment, provided that access to data
is limited to the minimum amount necessary to carry out such duties and responsibilities,
and subject to the requirement of de-identification and time limit on retention of data specified
in subdivision 5, paragraphs (d) and (e);

24.22 (9) federal, state, and local law enforcement authorities acting pursuant to a valid search
24.23 warrant;

(10) personnel of the Minnesota health care programs assigned to use the data collected
under this section to identify and manage recipients whose usage of controlled substances
may warrant restriction to a single primary care provider, a single outpatient pharmacy, and
a single hospital;

24.28 (11) personnel of the Department of Human Services assigned to access the data pursuant
24.29 to paragraph (k);

(12) personnel of the health professionals services program established under section
24.31 214.31, to the extent that the information relates specifically to an individual who is currently
enrolled in and being monitored by the program, and the individual consents to access to
that information. The health professionals services program personnel shall not provide this

data to a health-related licensing board or the Emergency Medical Services Regulatory
 Board, except as permitted under section 214.33, subdivision 3;

(13) personnel or designees of a health-related licensing board other than the Board of
Pharmacy listed in section 214.01, subdivision 2, assigned to conduct a bona fide
investigation of a complaint received by that board that alleges that a specific licensee is
inappropriately prescribing controlled substances as defined in this section. For the purposes
of this clause, the health-related licensing board may also obtain utilization data; and

(14) personnel of the board specifically assigned to conduct a bona fide investigation
of a specific licensee or registrant. For the purposes of this clause, the board may also obtain
utilization data.

(c) By July 1, 2017, every prescriber licensed by a health-related licensing board listed 25.11 in section 214.01, subdivision 2, practicing within this state who is authorized to prescribe 25.12 controlled substances for humans and who holds a current registration issued by the federal 25.13 Drug Enforcement Administration, and every pharmacist licensed by the board and practicing 25.14 within the state, shall register and maintain a user account with the prescription monitoring 25.15 program. Data submitted by a prescriber, pharmacist, or their delegate during the registration 25.16 application process, other than their name, license number, and license type, is classified 25.17 as private pursuant to section 13.02, subdivision 12. 25.18

(d) Notwithstanding paragraph (b), beginning January 1, 2021, a prescriber or an agent
or employee of the prescriber to whom the prescriber has delegated the task of accessing
the data, must access the data submitted under subdivision 4 to the extent the information
relates specifically to the patient:

(1) before the prescriber issues an initial prescription order for a Schedules II throughIV opiate controlled substance to the patient; and

(2) at least once every three months for patients receiving an opiate for treatment ofchronic pain or participating in medically assisted treatment for an opioid addiction.

25.27 (e) Paragraph (d) does not apply if:

25.28 (1) the patient is receiving palliative care, or hospice or other end-of-life care;

25.29 (2) the patient is being treated for pain due to cancer or the treatment of cancer;

(3) the prescription order is for a number of doses that is intended to last the patient fivedays or less and is not subject to a refill;

S4835-1

26.1 (4) the prescriber and patient have a current or ongoing provider/patient relationship of
a duration longer than one year;

(5) the prescription order is issued within 14 days following surgery or three days
following oral surgery or follows the prescribing protocols established under the opioid
prescribing improvement program under section 256B.0638;

26.6 (6) the controlled substance is prescribed or administered to a patient who is admitted26.7 to an inpatient hospital;

(7) the controlled substance is lawfully administered by injection, ingestion, or any other
means to the patient by the prescriber, a pharmacist, or by the patient at the direction of a
prescriber and in the presence of the prescriber or pharmacist;

26.11 (8) due to a medical emergency, it is not possible for the prescriber to review the data26.12 before the prescriber issues the prescription order for the patient; or

26.13 (9) the prescriber is unable to access the data due to operational or other technological26.14 failure of the program so long as the prescriber reports the failure to the board.

(f) Only permissible users identified in paragraph (b), clauses (1), (2), (3), (4), (7), (8), 26.15 (10), and (11), may directly access the data electronically. No other permissible users may 26.16 directly access the data electronically. If the data is directly accessed electronically, the 26.17 permissible user shall implement and maintain a comprehensive information security program 26.18 that contains administrative, technical, and physical safeguards that are appropriate to the 26.19 user's size and complexity, and the sensitivity of the personal information obtained. The 26.20 permissible user shall identify reasonably foreseeable internal and external risks to the 26.21 security, confidentiality, and integrity of personal information that could result in the 26.22 unauthorized disclosure, misuse, or other compromise of the information and assess the 26.23 sufficiency of any safeguards in place to control the risks. 26.24

26.25 (g) The board shall not release data submitted under subdivision 4 unless it is provided
26.26 with evidence, satisfactory to the board, that the person requesting the information is entitled
26.27 to receive the data.

(h) The board shall maintain a log of all persons who access the data for a period of at
least three years and shall ensure that any permissible user complies with paragraph (c)
prior to attaining direct access to the data.

(i) Section 13.05, subdivision 6, shall apply to any contract the board enters into pursuant
to subdivision 2. A vendor shall not use data collected under this section for any purpose
not specified in this section.

(j) The board may participate in an interstate prescription monitoring program data
exchange system provided that permissible users in other states have access to the data only
as allowed under this section, and that section 13.05, subdivision 6, applies to any contract

or memorandum of understanding that the board enters into under this paragraph.
(k) With available appropriations, the commissioner of human services shall establish
and implement a system through which the Department of Human Services shall routinely
access the data for the purpose of determining whether any client enrolled in an opioid

27.8 treatment program licensed according to chapter 245A has been prescribed or dispensed a 27.9 controlled substance in addition to that administered or dispensed by the opioid treatment 27.10 program. When the commissioner determines there have been multiple prescribers or multiple 27.11 prescriptions of controlled substances, the commissioner shall:

(1) inform the medical director of the opioid treatment program only that the
commissioner determined the existence of multiple prescribers or multiple prescriptions of
controlled substances; and

(2) direct the medical director of the opioid treatment program to access the data directly,
review the effect of the multiple prescribers or multiple prescriptions, and document the
review.

If determined necessary, the commissioner of human services shall seek a federal waiver
of, or exception to, any applicable provision of Code of Federal Regulations, title 42, section
27.20 2.34, paragraph (c), prior to implementing this paragraph.

(1) The board shall review the data submitted under subdivision 4 on at least a quarterly
basis and shall establish criteria, in consultation with the advisory task force, for referring
information about a patient to prescribers and dispensers who prescribed or dispensed the
prescriptions in question if the criteria are met.

(m) The board shall conduct random audits, on at least a quarterly basis, of electronic 27.25 access by permissible users, as identified in paragraph (b), clauses (1), (2), (3), (4), (7), (8), 27.26 (10), and (11), to the data in subdivision 4, to ensure compliance with permissible use as 27.27 defined in this section. A permissible user whose account has been selected for a random 27.28 audit shall respond to an inquiry by the board, no later than 30 days after receipt of notice 27.29 that an audit is being conducted. Failure to respond may result in deactivation of access to 27.30 the electronic system and referral to the appropriate health licensing board, or the 27.31 commissioner of human services, for further action. The board shall report the results of 27.32 random audits to the chairs and ranking minority members of the legislative committees 27.33

with jurisdiction over health and human services policy and finance and government datapractices.

(n) A permissible user who has delegated the task of accessing the data in subdivision
4 to an agent or employee shall audit the use of the electronic system by delegated agents
or employees on at least a quarterly basis to ensure compliance with permissible use as
defined in this section. When a delegated agent or employee has been identified as
inappropriately accessing data, the permissible user must immediately remove access for
that individual and notify the board within seven days. The board shall notify all permissible
users associated with the delegated agent or employee of the alleged violation.

(o) A permissible user who delegates access to the data submitted under subdivision 4
to an agent or employee shall terminate that individual's access to the data within three
business days of the agent or employee leaving employment with the permissible user. The
board may conduct random audits to determine compliance with this requirement.

29.21 Each health-related licensing board, including the Emergency Medical Services

29.22 Regulatory Board under chapter 144E, shall consider it grounds for disciplinary action if a
29.23 regulated person violates the terms of the health professionals services program participation
29.24 agreement or leaves the program except upon fulfilling the terms for successful completion
29.25 of the program as set forth in the participation agreement.

29.26 **EFFECTIVE DATE.** This section is effective January 1, 2025.

APPENDIX Repealed Minnesota Statutes: S4835-1

144E.001 DEFINITIONS.

Subd. 5. Board. "Board" means the Emergency Medical Services Regulatory Board.

144E.01 EMERGENCY MEDICAL SERVICES REGULATORY BOARD.

Subdivision 1. **Membership.** (a) The Emergency Medical Services Regulatory Board consists of the following members, all of whom must work in Minnesota, except for the person listed in clause (14):

(1) an emergency physician certified by the American Board of Emergency Physicians;

(2) a representative of Minnesota hospitals;

(3) a representative of fire chiefs;

(4) a full-time firefighter who serves as an emergency medical responder on or within a nontransporting or nonregistered agency and who is a member of a professional firefighter's union;

(5) a volunteer firefighter who serves as an emergency medical responder on or within a nontransporting or nonregistered agency;

(6) an attendant currently practicing on a licensed ambulance service who is a paramedic or an emergency medical technician;

(7) an ambulance director for a licensed ambulance service;

(8) a representative of sheriffs;

(9) a member of a community health board to represent community health services;

(10) two representatives of regional emergency medical services programs, one of whom must be from the metropolitan regional emergency medical services program;

(11) a registered nurse currently practicing in a hospital emergency department;

(12) a pediatrician, certified by the American Board of Pediatrics, with experience in emergency medical services;

(13) a family practice physician who is currently involved in emergency medical services;

(14) a public member who resides in Minnesota; and

(15) the commissioners of health and public safety or their designees.

(b) The governor shall appoint members under paragraph (a). Appointments under paragraph (a), clauses (1) to (9) and (11) to (13), are subject to the advice and consent of the senate. In making appointments under paragraph (a), clauses (1) to (9) and (11) to (13), the governor shall consider recommendations of the American College of Emergency Physicians, the Minnesota Hospital Association, the Minnesota and State Fire Chief's Association, the Minnesota Ambulance Association, the Minnesota Emergency Medical Services Association, the Minnesota State Sheriff's Association, the Association of Minnesota Counties, the Minnesota Nurses Association, and the Minnesota chapter of the Academy of Pediatrics.

(c) At least seven members appointed under paragraph (a) must reside outside of the seven-county metropolitan area, as defined in section 473.121.

Subd. 2. **Ex officio members.** The speaker of the house and the Committee on Rules and Administration of the senate shall appoint one representative and one senator to serve as ex officio, nonvoting members.

Subd. 3. **Chair.** The governor shall designate one of the members appointed under subdivision 1 as chair of the board.

Subd. 4. **Compensation; terms.** Membership terms, compensation, and removal of members appointed under subdivision 1, are governed by section 15.0575.

Subd. 5. **Staff.** The board shall appoint an executive director who shall serve in the unclassified service and may appoint other staff. The service of the executive director shall be subject to the terms described in section 214.04, subdivision 2a.

Subd. 6. Duties of board. (a) The Emergency Medical Services Regulatory Board shall:

APPENDIX Repealed Minnesota Statutes: S4835-1

(1) administer and enforce the provisions of this chapter and other duties as assigned to the board;

(2) advise applicants for state or federal emergency medical services funds, review and comment on such applications, and approve the use of such funds unless otherwise required by federal law;

(3) make recommendations to the legislature on improving the access, delivery, and effectiveness of the state's emergency medical services delivery system; and

(4) establish procedures for investigating, hearing, and resolving complaints against emergency medical services providers.

(b) The Emergency Medical Services Board may prepare an initial work plan, which may be updated biennially. The work plan may include provisions to:

(1) prepare an emergency medical services assessment which addresses issues affecting the statewide delivery system;

(2) establish a statewide public information and education system regarding emergency medical services;

(3) create, in conjunction with the Department of Public Safety, a statewide injury and trauma prevention program; and

(4) designate an annual emergency medical services personnel recognition day.

Subd. 7. **Conflict of interest.** No member of the Emergency Medical Services Board may participate or vote in board proceedings in which the member has a direct conflict of interest, financial or otherwise.

144E.123 PREHOSPITAL CARE DATA.

Subd. 5. **Working group.** By October 1, 2011, the board must convene a working group composed of six members, three of which must be appointed by the board and three of which must be appointed by the Minnesota Ambulance Association, to redesign the board's policies related to collection of data from licenses. The issues to be considered include, but are not limited to, the following: user-friendly reporting requirements; data sets; improved accuracy of reported information; appropriate use of information gathered through the reporting system; and methods for minimizing the financial impact of data reporting on licenses, particularly for rural volunteer services. The working group must report its findings and recommendations to the board no later than July 1, 2012.

144E.50 EMERGENCY MEDICAL SERVICES FUND.

Subd. 3. **Definition.** For purposes of this section, "board" means the Emergency Medical Services Regulatory Board.
