S.F. No. 2132 - Ground lights on motorcycles authorization

Author: Senator Julia Coleman

Prepared by: Tim Greenfield, Senate Counsel (651/296-3801)

Date: March 15, 2024

S.F. 2132 permits a motorcycle to be equipped with certain white vehicle ground lights under the vehicle, so long as the light bulbs or strips are not visible to other vehicles and aimed to project a steady non-flashing beam of light not bigger than six feet in radius onto the road area and illuminating an area around the vehicle.
