Re: [HF 3378] Proposed Modifications to Minn. Stat. § 169.869

Mr. Cunningham:

We agree with ARM's belief that the State's interpretation of Minn. Stat. § 169.869 does not align with the statute's original intent.

Therefore, we support the language proposed in HF 3778 that seeks to better capture the original intent of this statute.

Please let us know if there is anything we can help with in your efforts in this matter.

Sincerely,

Daniel J. Labo, P.E.
Executive Director
