S.F. No. 4641 - Supplemental warning systems for school buses

Author: Senator Andrew Mathews

Prepared by: Tim Greenfield, Senate Counsel (651/296-3801)

Date: March 19, 2024

S.F. 4641 authorizes the use of supplemental warning light systems on Type A, B, C, or D school buses by (1) striking the requirement the system be approved by the commissioner of public safety; and (2) specifying certain requirements for the display, placement, color, activation period, and flashing pattern of the systems.
