S.F. No. 4267 – Bus Rapid Transit Project Scope and Infrastructure (as proposed to be amended by A-1 delete-everything amendment)

Author: SELECT ONE

Prepared by: SELECT ONE

Date: April 2, 2024

S.F. 4267 institutes specific infrastructure requirements for bus rapid transit projects initiated after October 1, 2024, including sidewalk curb ramps, pedestrian signals, and transit priority infrastructure aimed at enhancing accessibility and efficiency of transit service. It also specifies exclusions for locations already meeting ADA standards or included in other roadway reconstruction projects.
