S.F. No. 4783 – Traffic engineering studies and speed limit revision policy modification

Author: Senator Jim Carlson

Prepared by: Tim Greenfield, Senate Counsel (651/296-3801)

Date: April 4, 2024

S.F. 4783 requires the Minnesota Department of Transportation (MnDOT) to incorporate the latest version of the federal manual on traffic control devices for purposes of performing traffic engineering studies and setting or adjusting speed limits.
