Section Summaries

Section 1 (uncodified) (Rulemaking; Board of Pharmacy) This section directs the Board of Pharmacy to amend Minnesota Rules, part 6800.3400, to permit and promote the inclusion of (1) the complete and unabbreviated generic name of the drug; and (2) a plain language description explaining the patient-specific indications for the drug's use. This section further requires the board to comply with Minnesota Statutes, section 14.389 (relating to expedited rulemaking) in adopting the rule amendment.
