Subd. 3.

Practice Agreement Review

A physician assistant shall have a practice agreement at the practice level that describes the practice of the physician assistant. The practice agreement must be reviewed on an annual basis by a licensed physician within the same clinic, hospital, health system, or other facility as the physician assistant and has knowledge of the physician assistant's practice to ensure that the physician assistant's medical practice is consistent with the practice agreement. A document stating that the review occurred must be maintained at the practice level and made available to the board, upon request.

***Subd. 5. Scope of practice limitations;
psychiatric care for children with emotional
disturbance or adults with serious mental
illness.***

Notwithstanding subdivision 1, a physician assistant may only provide ongoing psychiatric treatment for children with emotional disturbance, as defined in section [245.4871, subdivision 15](#), or adults with serious mental illness in collaboration with a physician licensed under chapter 147. For purposes of providing ongoing psychiatric treatment for children with emotional disturbance or adults with serious mental illness, the practice agreement between the physician assistant and one or more physicians licensed under chapter 147 must define the collaboration between the physician assistant and the collaborating physician, including appropriate consultation or referral to psychiatry.
