

**SB 2394 Legislative Testimony (Information Only)  
Senate Health and Human Services Committee**

**March 6, 2024**

Chair Wiklund and Members of the Senate Health and Human Services Committee:

The Council of State Governments (CSG) is a nonpartisan membership organization that serves the three branches of state governments. The National Center for Interstate Compacts is a technical assistance center within CSG that provides support to states on the PA Licensure Compact (PA Compact).

The PA Compact is an interstate compact, or a contract among states, allowing physician assistants (PAs) licensed in a compact member state to practice in other compact member states without the need for multiple licenses. Like other interstate licensure compacts, the PA Compact is designed to improve access to services, enhance mobility for practitioners, support relocating military spouses and improve continuity of care by providing both states and PAs a more uniform and efficient pathway for multistate practice.

The PA Compact reflects how states currently license PAs. For example, to participate in the compact, PAs must hold an unrestricted license, have no felony or misdemeanor convictions, have graduated from an accredited PA program, and hold current National Commission on Certification of Physician Assistants certification. PAs who meet the uniform requirements are permitted to obtain a compact privilege to practice, which is equivalent to a PA license in another state.

Compact member states retain control over scope of practice and licensure requirements. For example, any collaboration, supervision or controlled substance prescription authority requirements Minnesota necessitates for practice would have to be met by a PA before they are able to exercise a compact privilege to practice.

The compact creates a shared interstate licensure data system which facilitates the application and granting of a compact privilege to practice. The data system also enhances public protection by ensuring that member states share investigative and disciplinary information with one another.

The PA Compact currently has three member states (Delaware, Utah, and Wisconsin).

Thank you for the opportunity to deliver informational testimony for the committee. CSG is available to assist with any questions regarding the PA Compact or interstate compact policy.

Respectfully,

A handwritten signature in black ink, appearing to read "Carl Sims", is positioned below the word "Respectfully,".
