

1.1 Senator moves to amend S.F. No. 4074 as follows:

1.2 Page 2, after line 9, insert:

1.3 "(h) Upon request by a permit holder, the commissioner must reconsider the necessity
1.4 of any condition placed on a permit under paragraph (e). The commissioner must provide
1.5 the permit holder with an opportunity to adequately demonstrate that the condition is
1.6 unnecessary to protect public health and safety of groundwater. The commissioner must
1.7 immediately remove any applicable permit conditions upon a showing by the permit holder
1.8 that the condition is no longer necessary or is unduly burdensome to the permit holder."
