

To Whom It May Concern,

I am writing to express my strong support for the continuation of the Facility Revitalization Grant Program. I have witnessed firsthand the positive impact this grant program has had on our community and state. This grant has been instrumental in ensuring the success and sustainability of our programs, and we are immensely grateful for the positive impact it has had on our centers. The grant has enabled us to enhance the quality of education and care we provide to the children enrolled in our daycare centers. With this funding, we have been able to invest in educational resources, and continue nurturing environments that foster learning and growth for our young children.

Furthermore, the grant has supported innovative initiatives that have enriched our daycare centers and made a positive difference in the lives of the children and families we serve. From building inclusive playgrounds to adding new furniture in the classrooms, the grant funding has enabled us to create a welcoming and supportive community for all. These achievements not only benefit our program but also contribute to the overall well-being and development of our state.

The impact of the grant on our daycare centers has been undeniable, and we believe that its continuation is essential for us to continue providing high-quality care and education to the children in our community. We are committed to maximizing the effectiveness of the grant funding and are dedicated to using it in a way that benefits our children, families, and staff.

In conclusion, I strongly urge you to approve the continued funding of this grant program, as it has been a vital resource that has significantly contributed to the success and growth of our daycare centers. We are confident that with your support, we can continue to make a difference in the lives of children and families in our community.

Thank you for your consideration and ongoing support!

Danisbel Montano
Chief Liaison Officer at Rayito de Sol Spanish Immersion Program

Respectfully,

Rayito de Sol Spanish Immersion Early Learning Center
