S.F. No. 3769 - Landlord acceptance of individual taxpayer identification number in lieu of social security number

Author: Senator Aric Putnam

Prepared by: Priyanka Premo, Senate Counsel (651/296-3914)

Date: February 19, 2024

S.F. 3769 requires a landlord to provide on a rental application an option for a prospective tenant to submit an individual taxpayer identification number (ITIN) or a social security number. This bill prohibits the landlord from denying a rental application solely because the tenant provided an ITIN. This bill does not prevent a landlord's ability to deny a rental application if the consumer credit report attached to the ITIN is insufficient.
