1.9   project. The commissioner may make a grant award only after determining that nonstate

1.10   resources are committed to complete the project. The nonstate contribution may be cash,

1.11   other committed grant funds, or in kind. In-kind contributions may include the value of the

1.12   site, whether the site is prepared before or after the law appropriating money for the grant

1.13   is enacted.

2.2   investment in the county or city in which the project would be located.

2.3   (b) The determination of whether to make a grant for a site is within the discretion of

2.4   the commissioner, subject to this section. The commissioner's decisions and application of
