## "Section 1. [144G.195] FACILITY RELOCATION.

Subdivision 1. New license not required. (a) Effective March 15, 2025, an assisted living facility with a licensed resident capacity of ten residents or fewer may operate under the licensee's current license if the facility is relocated with the approval of the commissioner during the period the current license is valid.

- (b) A licensee is not required to apply for a new license solely because the licensee receives approval to relocate a facility, and the licensee's license for the relocated facility remains valid until the expiration date specified on the existing license. The commissioner must apply the licensing and survey cycle previously established for the facility's prior location to the facility's new location.
- (c) A licensee must notify the commissioner of health through a form developed by the commissioner of the licensee's intent to relocate the licensee's facility. The building to which the licensee intends to relocate the facility must obtain plan review approval and a certificate of occupancy from the commissioner of labor and industry or the commissioner of labor and industry's delegated authority. Upon issuance of a certificate of occupancy, the commissioner of health must review and inspect the building to which the licensee intends to relocate the facility and approve or deny the license relocation within 30 calendar days.
- (d) A licensee that receives approval from the commissioner to relocate a facility must provide each resident with a new assisted living contract and comply with the coordinated move requirements under section 144G.55.
- (e) A licensee denied approval by the commissioner to relocate a facility may continue to operate the facility in its current location, follow the requirements in section 144G.57 and close the facility, or notify the commissioner of the licensee's intent to relocate the facility to an alternative new location. If the licensee notifies the commissioner of the licensee's intent to relocate the facility to an alternative new location, paragraph (c) applies, including the timelines for approving or denying the license relocation for the alternative new location.
- Subd. 2. Limited exemption from the customized living setting moratorium and age limitations. (a) A licensee that receives approval from the commissioner of health under subdivision 1 to relocate a facility that is also enrolled with the Department of Human
