Dear Members of the Jobs and Economic Development Committee,

As the founder and owner of three restaurants, all located in southwest Minneapolis, I am writing to express my strong support for the Culinary Workforce Development Bill (S.F. 5181), which seeks crucial funding for the Healthy Roots Institute (HRI). This initiative is pivotal for the continuation and expansion of HRI's impactful work in our community, including the esteemed VoCul program.

The significance of this initiative cannot be overstated. It promises not only to enrich individuals with vital skills for the culinary industry but also to sow seeds of economic resilience and social cohesion within our community.

With all of our restaurants and the current tight labor market, we need trained talent to have successful hires and help our commitment to hire locally and help our community

I strongly urge your support for this initiative, confident in its capacity to make a lasting, positive impact on the lives of many and the culinary landscape of our state.

Thank you for considering this support. Together, we can contribute to a vibrant future for our community, marked by prosperity, inclusivity, and culinary excellence.

Sincerely,

Molly Broder
