S.F. No. 3447 - Crime Victim Services Appropriation

Author: Senator Heather Gustafson

Prepared by: Chris Turner, Fiscal Analyst (651/296-4350)

Date: February 13, 2024

The bill appropriates \$20 million from the general fund to the commissioner of public safety to fund services for victims of sexual assault, general crime, domestic violence, and child abuse. Services provided must include services for victims of crime in underserved communities most impacted by violence and reflect the ethnic, racial, economic, cultural, and geographic diversity of the state. When allocating this appropriation, the commissioner must prioritize culturally specific programs or organizations led and staffed by persons of color that primarily serve communities of color.
