(b) Each official or agency collecting the information required in paragraph (a) shall forward this information to the Sentencing Guidelines Commission and the state court administrator in a timely manner under a schedule and format directed by the commission. The commission shall ensure that each official and agency reports the information in a uniform and consistent format.

Subd. 2. **Repository of information.** The state court administrator shall act as a repository for the information collected under subdivision 1.

Subd. 3. **Sentencing Guidelines Commission.** (a) The Sentencing Guidelines Commission, in consultation with representatives from all major criminal legal system agencies, including but not limited to the Department of Corrections, the state court administrator's office and the Judicial branch, public defenders, prosecutors, law enforcement, probation officers, and community nonprofits and individual community members with expertise in data systems and pretrial policy, shall:

(1) provide ongoing advice about the types of data analysis necessary for understanding and evaluating the pretrial system;

(2) determine whether additional information should be reported under subdivision 1; and

(3) allow for information sharing and problem solving among the officials and agencies required to collect information under subdivision 1 or act as the repository of that information under subdivision 2.

(b) Each year beginning January 1, 2025, the court administrator shall submit the prior calendar year information collected under subdivision 1 to the Sentencing Guidelines Commission. In its annual report to the legislature, the commission shall study, research, summarize, and analyze the information. The commission may contract with a nonprofit research-based organization to do this.

Subd. 4. **Public dashboard.** The Sentencing Guidelines Commission shall create and operate an interactive public dashboard of the information collected under subdivision 1. The dashboard must be searchable and helpful to members of the public, researchers, and other interested parties seeking information.

Sec. 2. **APPROPRIATION.**

Subdivision 1. **Sentencing Guidelines Commission.** \$..... in fiscal year 2025 is appropriated from the general fund to the Sentencing Guidelines Commission: (1) to implement this act; and (2) for a grant to a nonprofit research-based organization to study, research, summarize, and analyze the information collected under Minnesota Statutes, section 609.016, subdivision 1, to provide understanding of current and historical practices in the state. The grant shall be awarded through a competitive grant process.

Subd. 2. **Public safety.** \$..... in fiscal year 2025 is appropriated from the general fund to the commissioner of public safety for grants to criminal justice officials and entities to hire additional staff, update case management systems, and develop new processes for data entry to fully facilitate collecting the information required in Minnesota Statutes, section 609.016, subdivision 1."
