Bill Description

Establishes a duty to report a lost or stolen firearm to law enforcement within 48 hours of learning the firearm is lost or stolen. Sets a first violation as a petty misdemeanor with increasing penalties for repeat violators. Grants immunity from criminal firearm storage charges for those who comply with the reporting requirement. Requires chief law enforcement officers to inform the commissioner of public safety of all lost and stolen firearms reported pursuant to this section.

Assumptions

Assume MN.IT will build an application for Chief Law Enforcement Officers to report lost or stolen firearms to the Commissioner of Public Safety using a platform similar to the current Use of Force reporting system at the Bureau of Criminal Apprehension.

Costs to build the application include application development and testing, hosting, annual license fee, and annual maintenance and support. Assume \$35,700 will be appropriated from the general fund in FY24 with an ongoing appropriation will be needed for the annual costs detailed below.

Expenditure and/or Revenue Formula

	FY24	FY25	FY26	FY27
Application development/testing	\$30,000			
Hosting	\$4,500	\$1,200	\$1,260	\$1,323
License	\$1,200	\$1,260	\$1,323	\$1,389
Annual Maintenance/Support		\$6,500	\$6,825	\$7,166
Total	\$35,700	\$8,960	\$9,408	\$9,878

General fund expenditures FY24 and beyond

Long-Term Fiscal Considerations

Local Fiscal Impact

Local law enforcement is required to take reports of lost or stolen firearms and are then required to report that information to the Commissioner of Public Safety and may have potential costs.
