## **S.F. No. 3842 – Design and installation of water service lines by licensed well contractors**

**Author:** Senator Grant Hauschild

**Prepared by:** Carlon Doyle Fontaine, Senate Counsel (651/296-4395)

**Date:** March 11, 2024

---

**S.F. 3842** would clarify that licensed well contractors are authorized to design and install water service lines.

**Section 1** clarifies that licensing under Chapter 326 (licensing as an architect, engineer, land surveyor, landscape architect, geoscientist, or certified interior designer) does not apply to planning and supervision of construction and installation work by a licensed well contractor.

**Section 2** specifies that a licensed well contractor is exempt from licensing as a plumber under Chapter 326B to do work designing and installing water service lines.
