To: Senator Murphy, Chair
Committee on Rules and Administration

**Senator Murphy, Chair of the Subcommittee on Permanent and Joint Rules, reports
the following resolution language for adoption:**

"A Committee resolution
relating to a recommendation for remote voting system security changes.

BE IT RESOLVED, by the Committee on Rules and Administration:

No later than October 1, 2024, the Secretary of the Senate must provide a written report
to the members of the Committee on Rules and Administration. The report must identify
and recommend a remote voting system that offers security and identification features. The
recommended system must be possible to implement for the 2025 legislative session if
authorized by the temporary rules of the Senate for the 94th session of the Legislature. "
