S.F. No. 3757 – Modifying the Calculation of Town Aid and Increasing the Annual Town Aid Appropriation

Author: Senator Grant Hauschild

Prepared by: Rachel Johnson, Legislative Analyst (651/296-7983)

Date: March 5, 2024

Section 1. Towns. Defines “town aid factor” as the product of a town’s: (1) agricultural property factor; (2) town area factor; and (3) population factor. Modifies the town aid formula so that the total town appropriation is distributed to each town in proportion to their town aid factor. Effective beginning with aid payable in calendar year 2025.

Section 2. Appropriation. Increases the total town aid payable from \$10,000,000 to \$11,500,000. Effective beginning with aid payable in calendar year 2025.
