6th largest city in Minnesota

1 in 4 residents were born outside of the US

Brooklyn Park, a thriving community inspiring pride where opportunities exist for all!

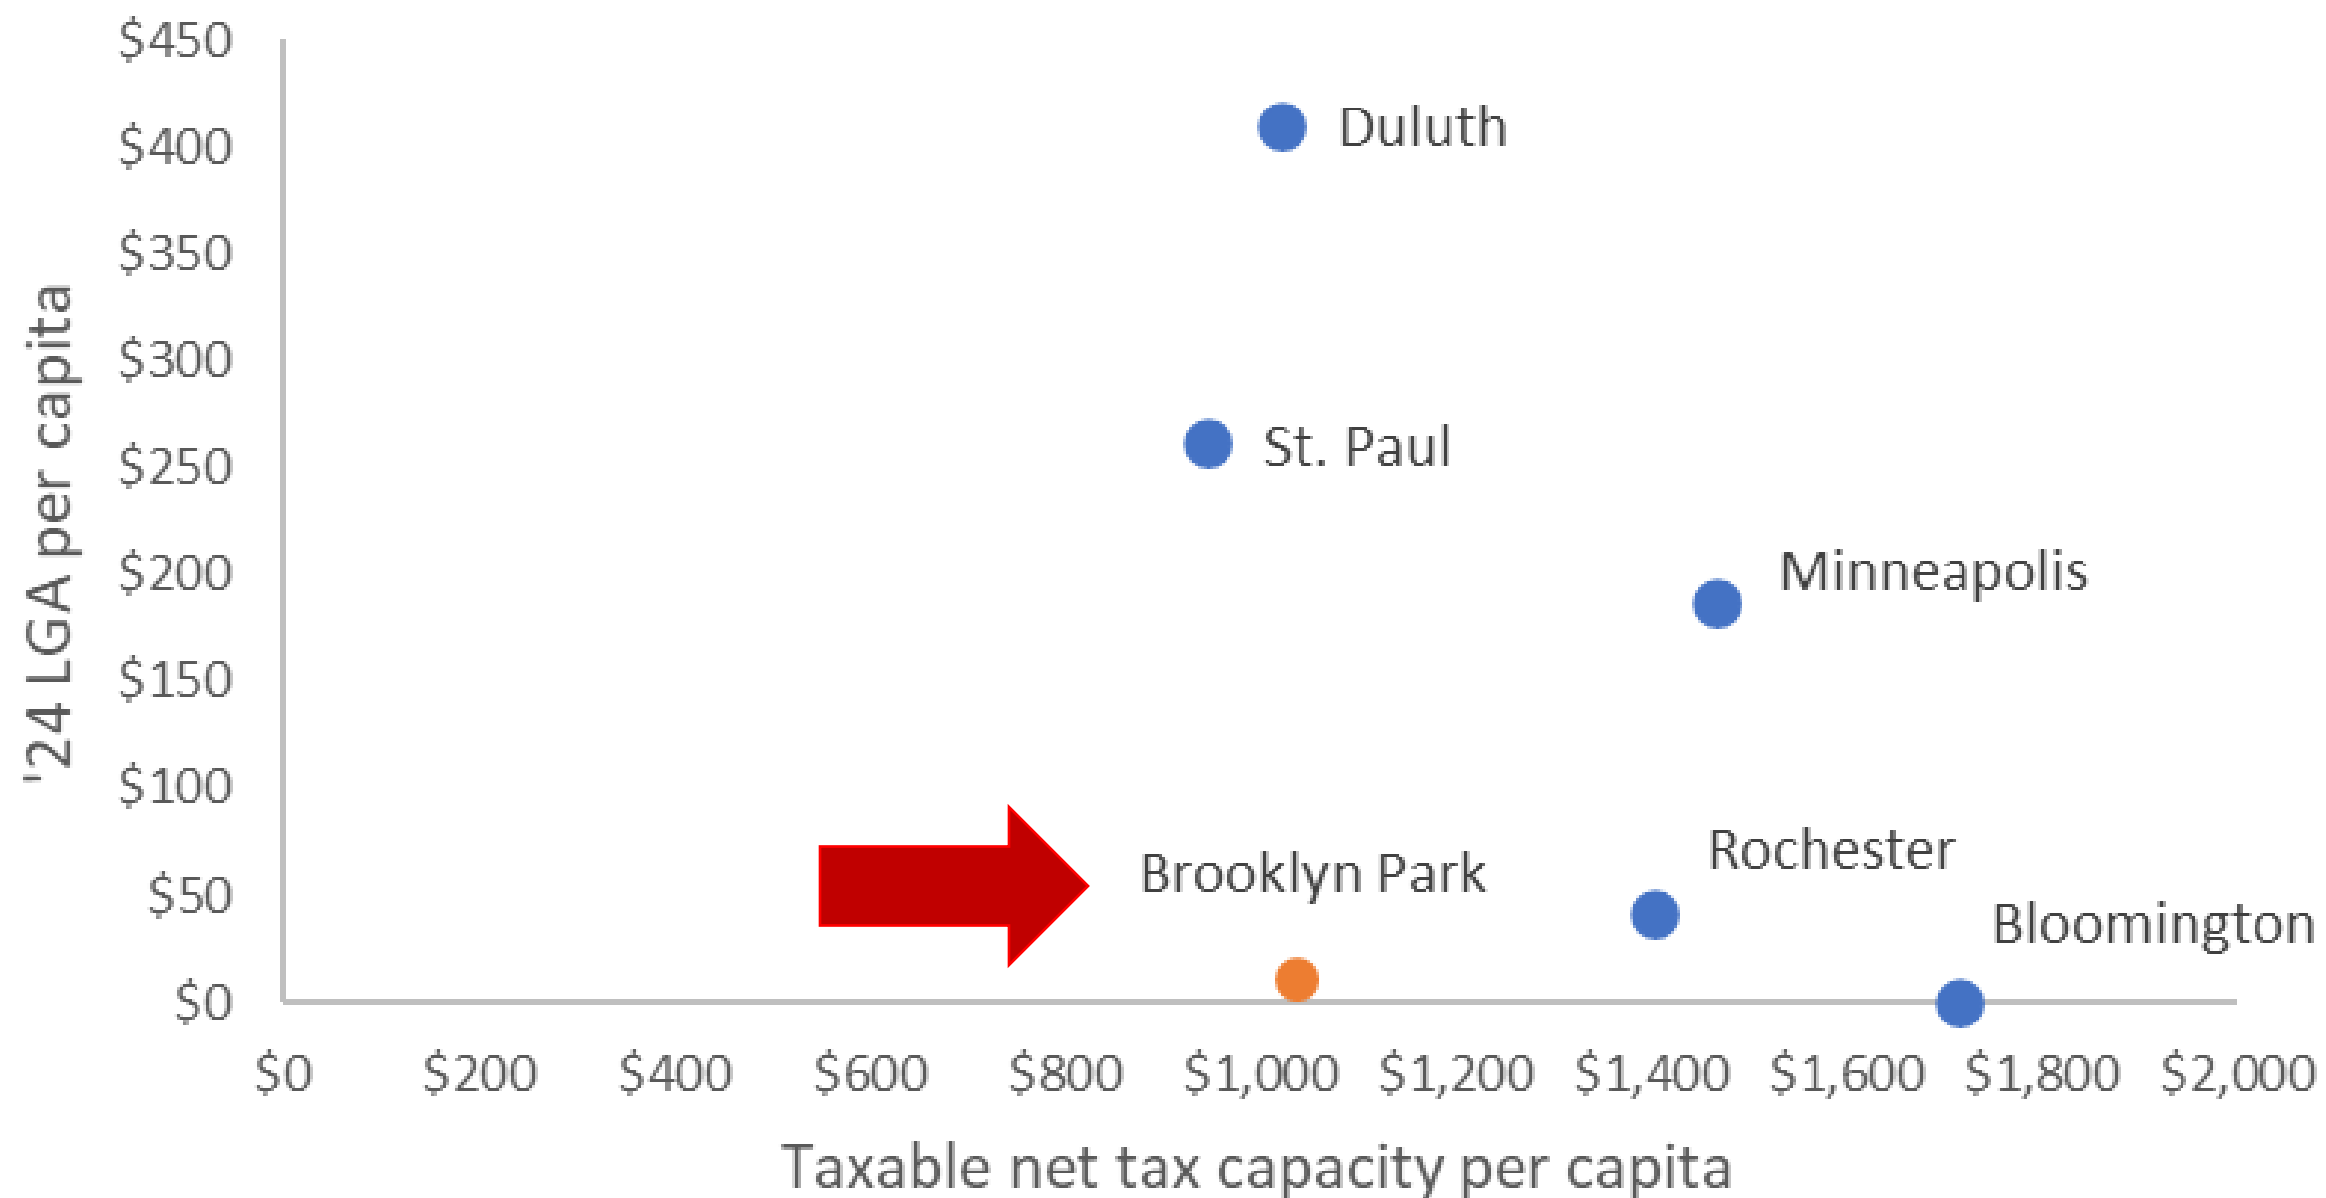

The median age of residents is 35

29% of residents speak a language other than English at home

LGA per capita and Taxable Net Tax Capacity Per Capita
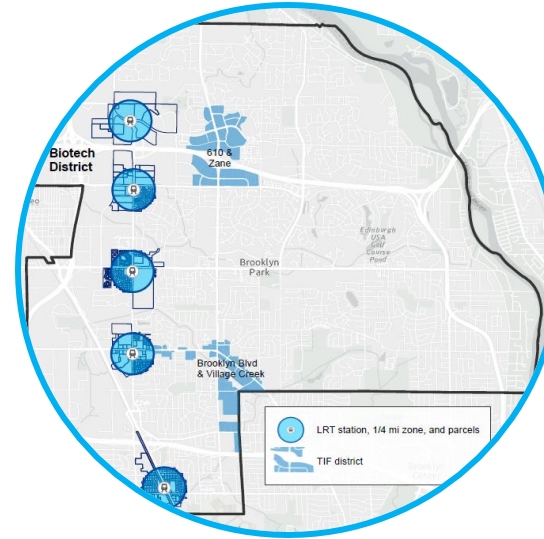

Economic Development Vision

BioTech Innovation District

Establish Brooklyn Park BioTech Innovation District – **estimated to bring 8,000 – 10,000 jobs**

Workforce Development

Investment from DEED resources in workforce and economic development

TIF/Value Capture Districts

Establish TIF/Value Capture districts to pay for critical infrastructure and drive private development

Small Business

Support to cities and nonprofit partners in developing small business centers, incubators, and other affordable commercial opportunities for small and BIPOC-owned businesses
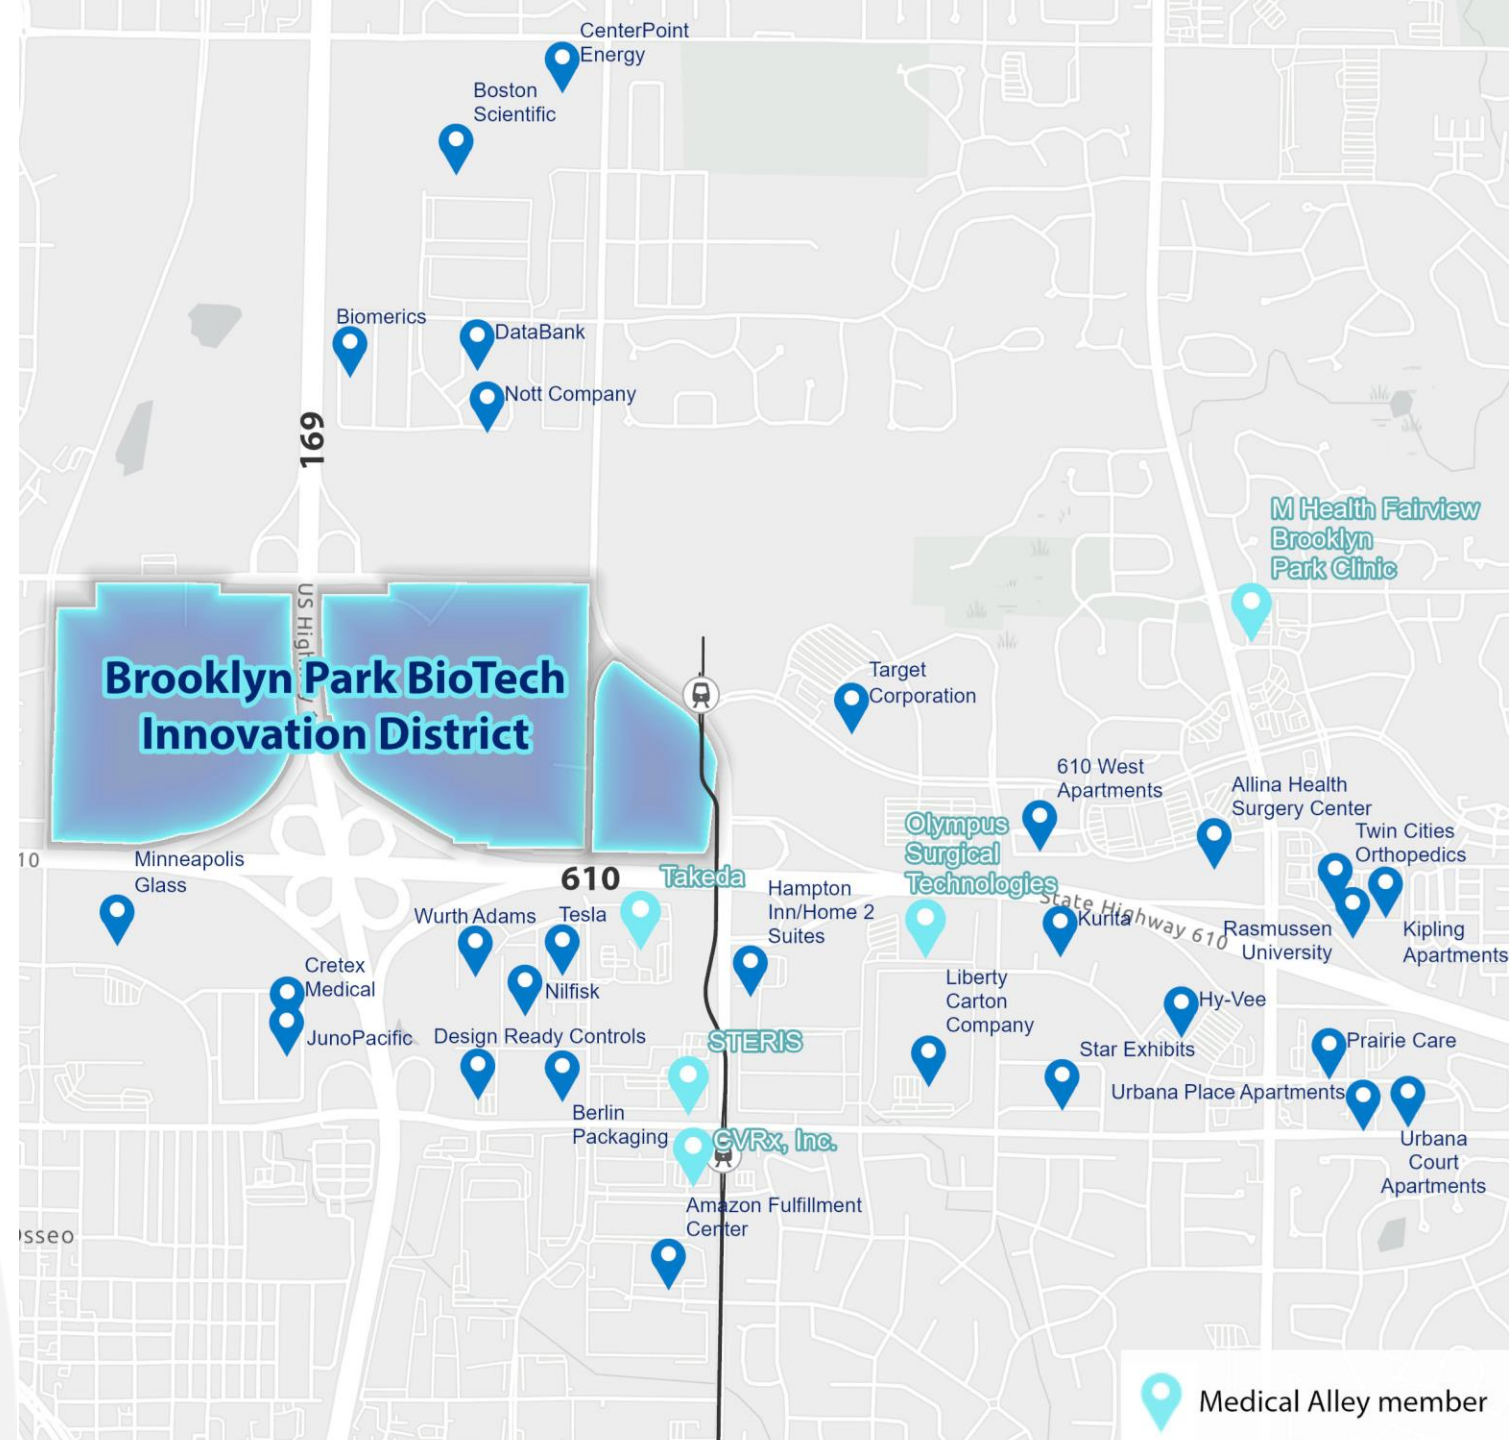

BioTech Innovation District

🔬 The District will be nestled in the heart of Medical Alley, north of Hwy 610 and on either side of Hwy 169.

🚆 Planned stops for the METRO Blue Line Extension light rail transit project will expand access to and through the District.
