## **S.F. No. 5444 – Modifying definition of certain tobacco products**

**Author:** Senator Ann H. Rest

**Prepared by:** Nora Pollock, Senate Counsel (651/297-8066)

**Date:** April 24, 2024

---

**Section 1. Moist snuff.** Under current law, “moist snuff” means finely cut, ground, or powdered smokeless tobacco that is intended to be placed or dipped in the mouth. This section modifies the definition of “moist snuff” to include similar products containing nicotine. Effective July 1, 2024.

**Section 2. Tobacco products.** Modifies the definition of “tobacco products” to include moist snuff, which would now include products similar to moist snuff under the provisions of section 1. Under current law, “tobacco products” includes any product containing, made, or derived from tobacco, and nicotine solution products. Effective July 1, 2024.
