

## **S.F. No. 1840 – Minnesota 4R Agricultural Grants**

**Author:** Senator Robert J. Kupec

**Prepared by:** Laura Paynter, Legislative Analyst, (laura.paynter@mnsenate.gov)

**Date:** March 4, 2025

---

**Section 1 [17.995]** describes the Minnesota 4R Agricultural Grants program.

Subdivision 1 establishes a grant program to promote the use of certain nutrient management practices.

Subdivision 2 describes the eligible grant recipients as licensed fertilizer retailers who work towards certification of approved nutrient management practices.

Subdivision 3 requires the commissioner to specify the approved nutrient management practices that would be eligible for grants.

Subdivision 4 describes the types of grants available.

Subdivision 5 specifies that data collected as part of the grant administration process are nonpublic.

**Subdivision 2** is a blank appropriation for the program.
