**S.F. 2788** amends the pesticide control chapter to allow individuals who mix and load pesticides to do so under supervision without obtaining a license.

Section 1 (18B.01, subdivision 1d) amends the definition of application or use of a pesticide.

Section 2 (18B.01) adds a new definition for a handler as an individual who mixes and loads restricted use pesticides under the supervision of a licensed pesticide applicator.

Section 3 (18B.30) provides an exception that allows handlers who are not licensed to mix and load restricted use pesticides under the supervision of a licensed pesticide applicator.
