To: Nick Roth, Committee Administrator

From: Farmers Cooperative Elevator Company of Bellingham

My name is Josh Ludvigson, and I represent Farmers Cooperative Elevator Company of Bellingham as the General Manager. I ask that you NOT support bill SF2458. If this bill is passed, it will dramatically increase the additional costs for our rural communities' cooperative system and negatively impact our agricultural producers. Please consider the consequences to our farming families of this explosive increase.

Sincerely,

A handwritten signature in black ink, appearing to read "Josh Ludvigson", written over a faint, rectangular stamp.

Josh Ludvigson
