

Governor's Capital Budget Recommendation Library Construction Grants

Bobbie Burnham | Assistant Commissioner

Minnesota's Public Libraries

- 12 regional public library systems with 359 public library locations
- 8 bookmobiles
- At least 1 public library in every county
- 2023 usage:
 - 15.4 million visits to libraries in 2023 – that's more than eight times the attendance at the MN State Fair in 2023
 - 56 million items borrowed
 - Over 135,000 community meetings and public events took place in Minnesota Public Libraries in 2023

Public Library Construction Grant Program

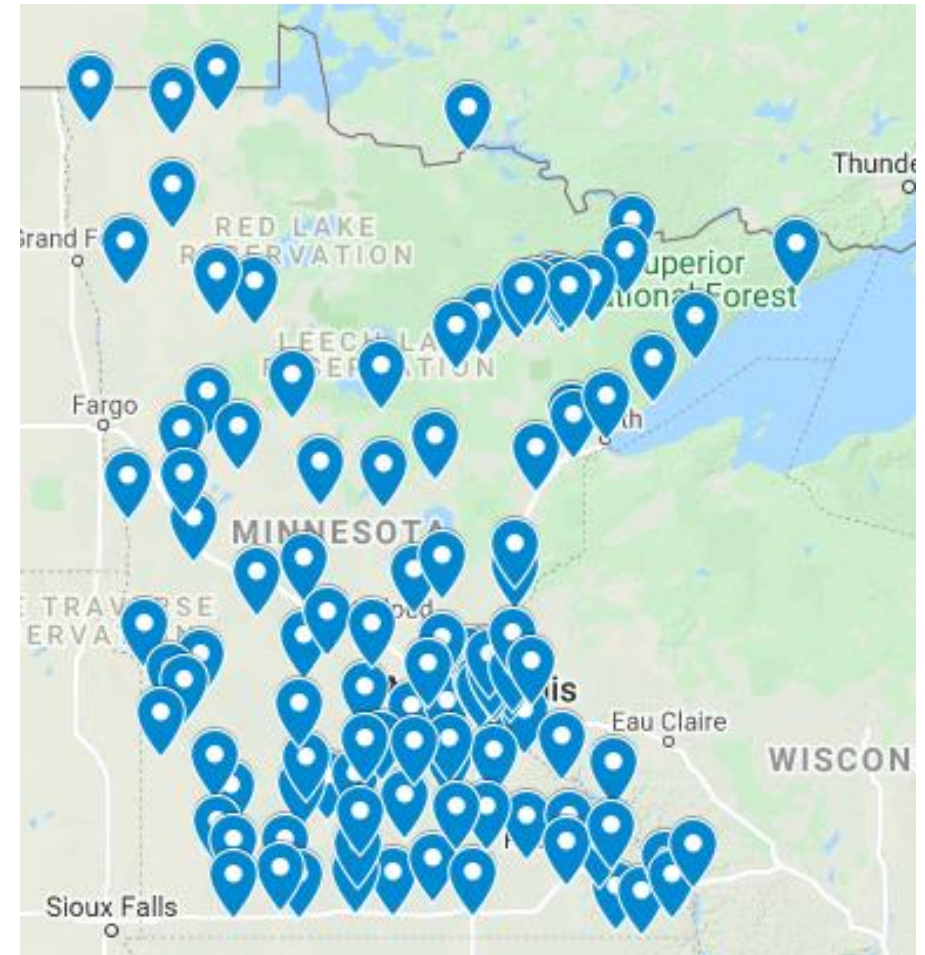

- Minn. Stat. 134.45
- Eligible applicants: cities, counties, and regional public library systems
- Two project types:
 - Improvement (max. award of \$1,000,000)
 - Accessibility (max. award of \$450,000)
- Requires minimum local match of 50% total project costs
- Competitive peer-review process

Sandstone Public Library, 2020 grantee

Program Data

- Funded 13 times from 1994 through 2023
- Appropriations ranging from \$1M to \$4M
- 170 awards made in project lifespan
- Average award = \$107,987
 - Largest = \$1M in 2018 for Fergus Falls
 - Smallest = \$614 in 1996 for White Bear Lake
- Average local match = \$6.27 local per \$1 state

2025 Recommendation and Interest

Howard Lake Library, 2020 grantee

- **2025 recommendation is \$900,000**
- Historically, \$17.8M in grant funds has drawn nearly \$112M in local support
- Prospective cities: Duluth, Sauk Centre, Brainerd, Blackduck, Crookston, Tyler, Blue Earth, Albert Lea, Saint Paul
- Prospective counties: Ramsey, Nobles, Blue Earth, Washington, Watonwan, Douglas, Anoka
- Estimated need is just over \$187M statewide

Thank You
