UNIVERSITIES

Bemidji State University
Metro State University
Minnesota State University, Mankato
Minnesota State University Moorhead
Southwest Minnesota State University
St. Cloud State University
Winona State University

BY THE NUMBERS

33 state colleges and universities on **54** campuses in **47** Minnesota communities

843 academic buildings with

 **2,102** classrooms and
 **1,869** labs

301 acres
of roofs, roughly equivalent to 228 football fields

2,600
different pieces of HVAC equipment, such as boilers and air handlers

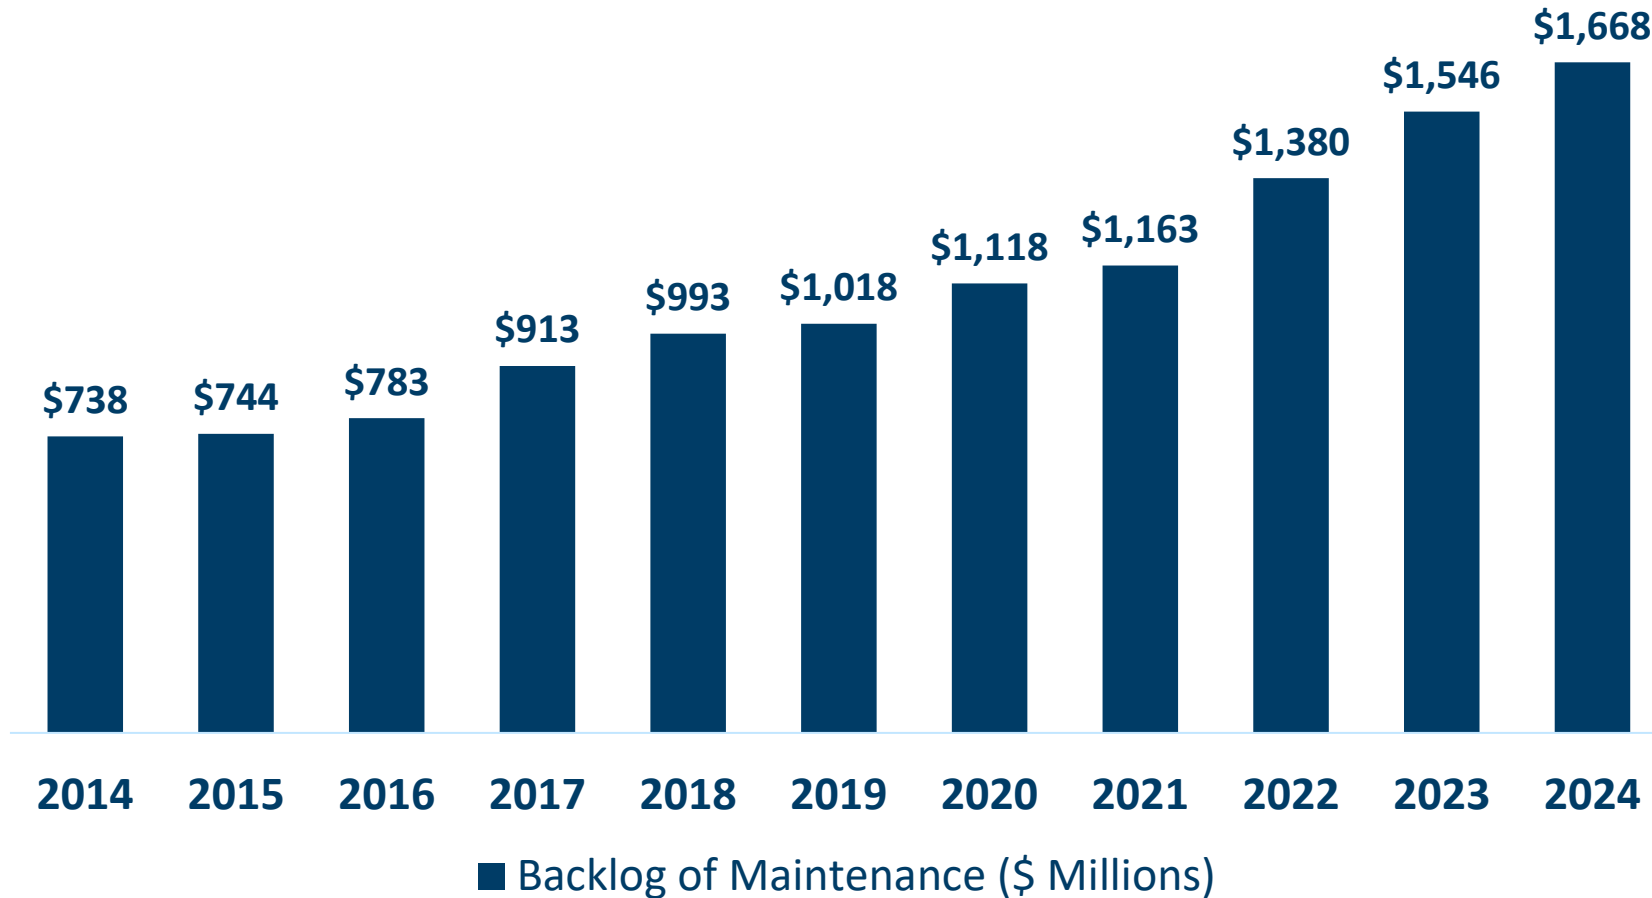

28.5 million square feet of total facility space, about one-third of the total square footage of state public buildings

22.5 million square feet dedicated to academic and student support space

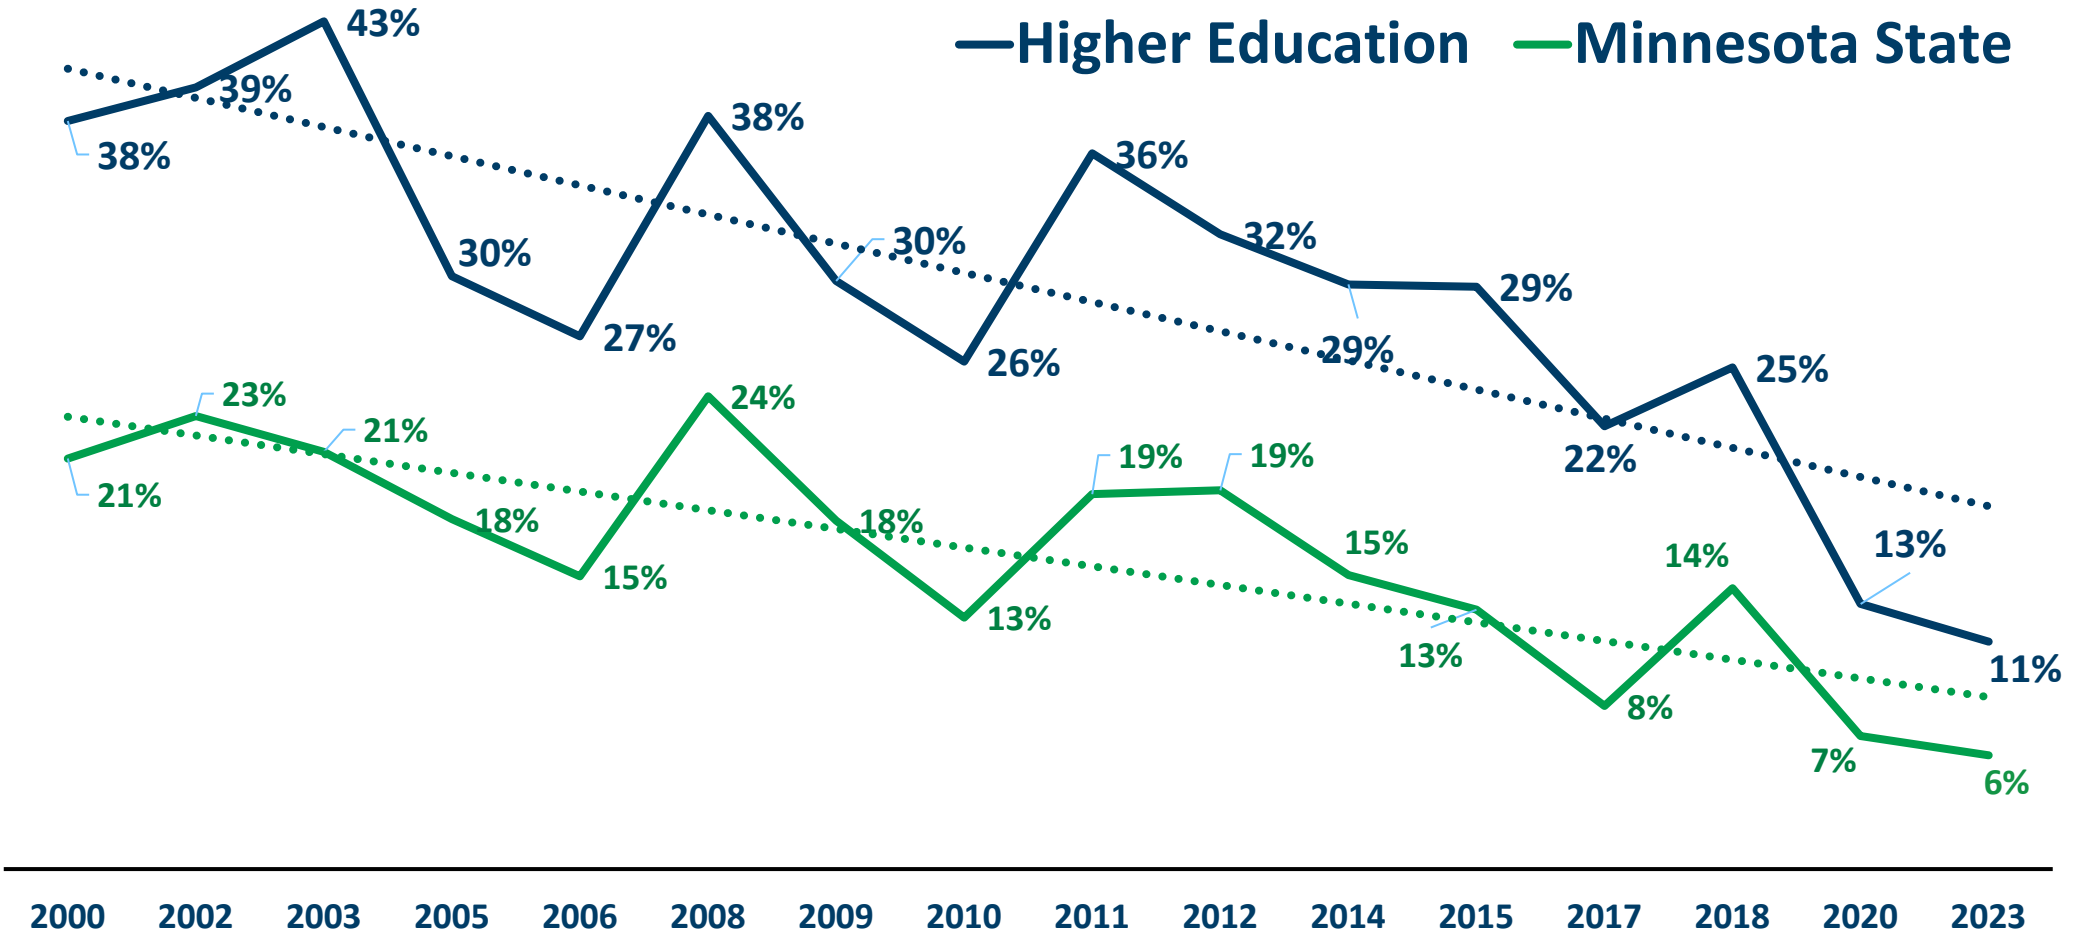

6.0 million square feet comprised of residence halls, student unions, health/wellness centers, and parking ramps,

A steady and continued rise in the backlog ..

» 2014-2024: Deferred renewal has grown by 126%

A steady and continued decline in \$...

What do we know

- » Minnesota State colleges and universities are overbuilt for current and foreseeable needs.
- » Reduced state investment, rising inflation, and tougher codes hamper our ability to keep up with deferred maintenance.
- » There are insufficient resources (capital and operating) to (properly) maintain and sustain Minnesota State's college and university campus facilities.
- » Minnesota State needs different space and better space, not more space.
- » We need help to replace, modernize and demolish.

2025 Capital Program

Competitive – Modern – Convenient – Safe

Classrooms – Laboratories – Shops – Studios
Academic Support – Student Gathering

Renewal – Replacement – Renovation - Demolition

No Net Growth

2025 Total - \$552.3 million

HEAPR - \$200 million

- 65 + projects throughout Minnesota
- Renewal of critical systems and infrastructure

Major Projects - \$352.3 million

- 14 major projects
- 5 previously funded for design
- 9 building demolitions

HEAPR Helps ... a lot!

Obsolete HVAC Equipment

Water Infiltration

Leaking Inefficient Windows

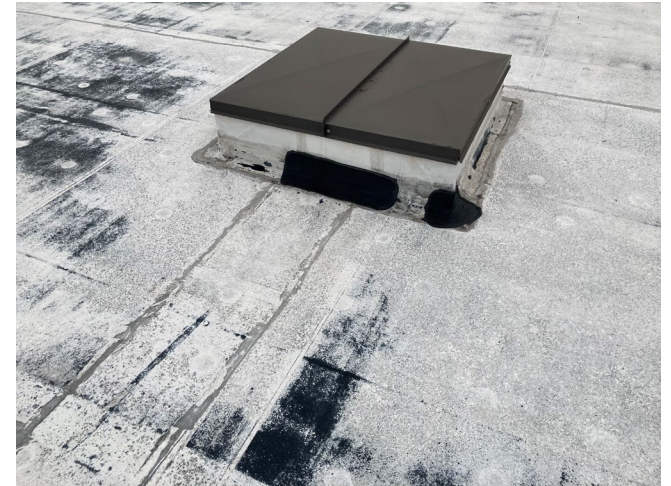

HEAPR is Cheaper

Crumbling Utility Tunnels

Thirsty?

Leaking Patched-up Roofs

Major Projects have Major Student Impact

Major projects are detailed in the 2024 Bonding Book.
