

April 1, 2025

The Honorable Scott Dibble
State Senator
Minnesota State Senate
95 University Avenue W.
Minnesota Senate Building, Room 3107
St. Paul, Minnesota 55155

Senator Dibble,

Thank you for authoring SF2370 in the Minnesota Senate.

As a natural THC infused beverage company based in Charlotte, North Carolina, we have seen tremendous success and growth across the country in the hemp beverage industry.

Upon discussions internally, and after reviewing current laws and pending legislation, we have decided moving forward for our 10mg and 5mg products we are going to be solely labeling as a single serving.

While we understand this may have an adverse effect on our sales in Minnesota at this time, there are too many other states requiring single serving cans for us to be able to indulge the Minnesota market.

We will continue to sell our 5mg product in Minnesota, but as 10mg's slowly becomes more of a standard in the industry nationally, we think it is best to align ourselves with the majority of states on this issue.

We wish you the best in your attempts to pass SF2370 through the Minnesota Legislature. If it were to pass and be signed into law, we would reconsider our decision.

Continued success,

David Thomas
Chief Operating Officer
Delta Beverages

Cc: Chair Matt Klein, Senate Commerce Committee Members
