

Use of Ranked Choice Voting in Minnesota and Local Resolutions of Support

Updated: February, 2025

Five Minnesota cities currently use ranked choice voting for their municipal elections, and several localities have passed resolutions in support of a local option for RCV or have added this policy as a priority in their legislative agenda.

Cities that Use Ranked Choice Voting for Municipal Elections

- Bloomington (since 2021)
- Minneapolis (since 2009)
- Minnetonka (since 2021)
- St. Louis Park (since 2019)
- St. Paul (since 2011)

Resolutions of Support for Statewide RCV and a Local Option

- Cook County
- Murray County
- City of Bemidji
- City of Robbinsdale

Resolutions of Support for RCV Local Option

- Otter Tail County
- City of Columbia Heights
- City of Edina
- City of Melrose
- City of Red Wing
- City of Rochester
- Hopkins School District

Local Governments with RCV as a Legislative Priority

- Hennepin County
- City of St Peter
- City of Golden Valley
