Letter of Support for the Moorhead Cultural Mall Project

To Whom It May Concern:

I am writing on behalf of Moorhead Area Public Schools to express our enthusiastic support for the Immigrant Development Center's initiative to establish the Moorhead Cultural Mall. This project represents a unique opportunity to foster cultural diversity, economic growth, and community engagement in Moorhead and the surrounding areas.

The Moorhead Cultural Mall is aligned with our organization's mission and values, as it promotes cultural exchange and learning, stimulates local business growth, creates jobs, and attracts visitors to the area. We are particularly impressed by the project's inclusive approach, which aims to provide a platform for both immigrant and local entrepreneurs to showcase their talents, goods, and services.

The planned integration of event spaces, educational programs, and cultural exhibitions will undoubtedly make the Moorhead Cultural Mall a cornerstone for community enrichment and cross-cultural understanding. This initiative will have a significant, positive impact on the Moorhead community, and we stand ready to assist in any way that can further contribute to its success.

In recognition of the potential impact of the Moorhead Cultural Mall, Moorhead Area Public Schools hereby extends its full support to the Immigrant Development Center and its efforts to bring this project to fruition. Please feel free to include this letter in your grant applications, proposals, and communications with stakeholders to signify our endorsement of this important initiative.

Thank you for your consideration.

Sincerely,

Dr. Brandon Lunak
Superintendent
