

1.1 Senator moves to amend S.F. No. 1346 as follows:

1.2 Page 4, after line 21, insert:

1.3 "Subd. 7. **Information for individuals.** (a) The commissioner shall develop a notice
1.4 providing information for individuals subject to this section who conduct scuba diving at
1.5 the workplace clearly explaining the certification, equipment, and other safety requirements
1.6 specified in this section. The notice shall be available in English and the five most common
1.7 languages spoken in Minnesota.

1.8 (b) An employer subject to this section shall post and keep posted the notice created
1.9 pursuant to this subdivision in a place where employee notices are customarily located
1.10 within the workplace. The notice must also be provided by the employer to an individual
1.11 subject to this section prior to the individual's initial conduct of scuba diving at the
1.12 workplace."
