(d) The commissioner, as a condition of awarding a construction contract or approving a contract for professional or technical services, may set goals that require the prime contractor to subcontract a portion of the contract to small businesses or small targeted group businesses. 37.15 Subdivision 1. **Generally.** (a) When a debt is determined by a state agency to be
37.16 uncollectible, the debt may be written off by the state agency from the state agency's financial

37.28 equals or exceeds \$100,000, the agency shall notify the chairs and ranking minority members
37.29 of the legislative committees with jurisdiction over the state agency's budget at the time the
37.30 debt is determined to be uncollectible. The information reported shall contain the entity

38.4 to pay the debt.

38.6 Subd. 3. **Procurement of a pharmacy benefit manager.** (a) Notwithstanding any law
38.7 to the contrary, the commissioner of management and budget shall procure a contract for
38.8 the services of a pharmacy benefit manager to administer the prescription drug benefit and
38.9 pharmacy benefit management services, effective January 1, 2023. For subsequent
38.10 procurements, if the commissioner intends to separate prescription drug benefit and pharmacy
38.11 benefit management services into multiple vendors or intends to fold prescription drug
38.12 benefits into the overall medical benefit, rather than a single full-service pharmacy benefit
38.13 manager, this section shall not apply.

38.14 (b) For the contract effective January 1, 2023, the commissioner shall conduct a reverse
38.15 auction as described in this section to select the pharmacy benefit manager and use a reverse
38.16 auction for procurement of subsequent pharmacy benefit manager contracts as provided in
38.17 subdivision 5, paragraph (b).

38.18 (c) In consultation with the technology platform vendor selected under subdivision 4,
38.19 the commissioner shall specify the terms of a participant bidding agreement that all bidders

38.26 of this section as specified under subdivision 2.

38.27 (d) A pharmacy benefit manager who submits a bid under this subdivision must provide
38.28 the commissioner access to complete pharmacy claims data necessary for the commissioner
38.29 to conduct the reverse auction and to carry out administrative and management duties.

38.30 (e) The terms of a contract entered into under this subdivision shall not be modified by
38.31 the pharmacy benefit manager except with the approval of the commissioner.

(f) The commissioner may structure the contract awarded under this subdivision to pay the cost of the technology platform and the associated professional services contracted for under this subdivision by assessing a fee per prescription to be paid directly by the pharmacy benefit manager to the technology platform vendor.

(g) The commissioner must perform annual market checks on pharmacy benefit manager services performed by the pharmacy benefit manager during the term of the contract. A market check performed under this paragraph may include an evaluation of the effect of alternative drug pricing metrics, such as the national average drug acquisition cost and average wholesale price, on the cost of prescription drugs and savings to the state.

(h) The commissioner shall make regular, periodic payment of invoices within the time periods specified in the contract based on the automated adjudication of invoiced claims using the technology platform to validate that claims payments comply with the terms of the contract.

(i) The joint labor-management committee on health plans shall assist in the process through which the commissioner conducts the reverse auction, evaluation, and comparison of the competing pharmacy benefit manager bids for award of the contract.

Sec. 33. Minnesota Statutes 2024, section 43A.231, subdivision 4, is amended to read:

Subd. 4. (ii) with development methods and information security standards that have been validated by receiving Service Organization Control 2 (SOC 2) and National Institute of Standards and Technology certification;

(2) automate repricing of diverse and complex pharmacy benefit manager prescription drug pricing proposals to enable direct comparisons of the price of bids using all annual claims data available for the program using code-based classification or prescription drugs from nationally accepted drug sources;

(3) simultaneously evaluate, ~~within six hours~~, diverse and complex multiple proposals from full-service pharmacy benefit managers that shall include at least guaranteed net cost, Average Wholesale Price and National Average Drug Acquisition Cost (NADAC) pricing models, as well as proposals from pharmacy benefit administrators and specialty drug and rebate carve-out services providers; and

(4) produce an automated report and analysis of bids, including ranking of bids on the comparative costs and qualitative aspects of the costs ~~within six hours~~ after the close of each round of reverse auction bidding; and.

~~(5) after the close of the reverse auction process, perform an electronic, line-by-line, claim-by-claim review of all invoiced pharmacy benefit manager claims within six hours of receipt that allows for an online comparison of pharmacy benefit manager invoices and identifies all deviations from the specific terms of the services contract resulting from the reverse auction.~~

(c) The commissioner may require additional capabilities or more rigorous standards than those specified in paragraph (b).

(d) The commissioner shall not award the platform technology vendor contract under this subdivision to:

(1) a pharmacy benefit manager;

(2) a subsidiary or affiliate of a pharmacy benefit manager; or

(3) a vendor who is managed by a pharmacy benefit manager or who receives, directly or indirectly, remuneration from a pharmacy benefit manager for aggregating clients into a contractual relationship with a pharmacy benefit manager.

~~(e) The vendor who is awarded the contract under this subdivision must not subcontract any part of the reverse auction process or the review described under paragraph (b), clause (5).~~ The commissioner shall also hire a vendor to perform an electronic, line-by-line, claim-by-claim review of all invoiced pharmacy benefit manager claims that allows for an

41.1 online comparison of pharmacy benefit manager invoices and identifies all deviations from
41.2 the specific terms of the services contract resulting from the reverse auction. The claim
41.3 review vendor and the platform vendor may be the same or they may be distinct.

63.6 ~~(6)~~ (5) an employee of the joint underwriting association pursuant to section 62I.121 or
63.7 Minnesota FAIR plan pursuant to section 65A.35, subdivision 5, unless the commissioner
63.8 determines that making these employees eligible to purchase this coverage would cause the
63.9 state employee group insurance program to lose its status as a governmental plan or would
63.10 cause the program to be treated as a multiemployer welfare arrangement.

63.11 Sec. 24. Minnesota Statutes 2024, section 43A.33, subdivision 3, is amended to read:

63.12 Subd. 3. **Procedures.** (a) Procedures for discipline and discharge of employees covered
63.13 by collective bargaining agreements shall be governed by the agreements. Procedures for

63.25 calendar days following the effective date of the disciplinary action. The commissioner
63.26 shall have final authority to decide whether the appointing authority shall settle the dispute
63.27 prior to the hearing provided under this subdivision 4.

63.28 (c) For discharge, suspension, or demotion of an employee serving an initial probationary
63.29 period, and for noncertification in any subsequent probationary period, grievance procedures
63.30 shall be as provided in the plan established pursuant to section 43A.18.

63.31 (d) Within ten days of receipt of the employee's written notice of appeal, the commissioner
63.32 of the Bureau of Mediation Services shall provide both parties with a list of potential
63.33 arbitrators according to the rules of the Bureau of Mediation Services to hear the appeal.

64.1 The process of selecting the arbitrator from the list shall be determined by the plan. The
64.2 hearing shall be conducted pursuant to the rules of the Bureau of Mediation Services. If the
64.3 arbitrator finds, based on the hearing record, that the action appealed was not taken by the
64.4 appointing authority for just cause, the employee shall be reinstated to the position, or an
64.5 equal position in another division within the same agency, without loss of pay. If the arbitrator
64.6 finds that there exists sufficient grounds for institution of the appointing authority's action
64.7 but the hearing record establishes extenuating circumstances, the arbitrator may reinstate
64.8 the employee, with full, partial, or no pay, or may modify the appointing authority's action.
64.9 The appointing authority shall bear the costs of the arbitrator for hearings provided for in
64.10 this section.

79.13 (d) "Office" means the Office of the Secretary of State.

79.14 Sec. 4. **[300.71] DECLARATION OF WRONGFUL FILING.**

79.15 Subdivision 1. **Form and contents of declaration.** (a) A complainant may deliver a
79.16 declaration of wrongful filing to the office if the complainant believes that a document filed
79.17 under chapters 301 to 323A:

79.18 (1) was not authorized to be filed; and

79.19 (2) was filed with the intent to: (i) modify the ownership, registered agent, business
79.20 address, contact information, governance, or other information of a business on record; or
79.21 (ii) register a business using another person's name, address, or identity.

79.22 (b) A declaration of wrongful filing must include:

79.23 (1) the file number of the allegedly wrongful filing;

79.24 (2) the complainant's name, mailing address, and email address;

79.25 (3) whether the complainant is employed by or has an ownership interest in the business
79.26 that is the subject of the filing;

79.27 (4) any information or evidence supporting the complainant's allegations under this
79.28 section;

80.1 (5) a statement verifying the complainant believes in good faith that the facts stated in
80.2 the declaration are true; and

80.3 (6) any other information the office deems necessary.

80.4 (c) The office must provide a form for declarations filed under this section. A complainant
80.5 must use the provided form when submitting a declaration of wrongful filing.

80.6 (d) A false material statement of fact in a declaration of wrongful filing or any other
80.7 document submitted under sections 300.70 to 300.78 is a violation of section 609.48.

80.8 Subd. 2. **Review of declaration.** (a) The office must promptly accept or reject a
80.9 declaration of wrongful filing.

80.10 (b) The office may reject a declaration of wrongful filing that is incomplete, does not
80.11 use the provided form, or the office reasonably believes was delivered with the intent to
80.12 harass or defraud the filer. The office may reject a declaration of wrongful filing if the office
80.13 has already issued a final order on the filing identified in the declaration.

80.14 Subd. 3. **Nonexclusive remedy.** The remedy in sections 300.70 to 300.78 is not exclusive.
80.15 An aggrieved party may seek district court action regardless of whether the individual has
80.16 initiated or completed the procedure described in these sections.

80.17 Sec. 5. **[300.72] NOTICE.**

80.18 (a) When the office accepts a declaration of wrongful filing, the office must provide
80.19 notice of the declaration to the complainant and the filer. The notice must describe the
80.20 allegations made in the declaration and the process used to resolve the allegations. The
80.21 notice must prominently state the response timeline in section 300.73 and the consequences
80.22 if the filer does not respond. The notice must prominently state that a false statement of
80.23 material fact in any documents submitted under sections 300.70 to 300.78 is a violation of
80.24 section 609.48.

80.25 (b) The office must send the notice by first class mail, postage prepaid, to:

80.26 (1) the complainant at the mailing address provided in the declaration; and

80.27 (2) the filer at:

80.28 (i) the most recent registered business address associated with the filing named in the
80.29 declaration; or

80.30 (ii) if a mailing address for the filer cannot be identified, the notice may be served on
80.31 the filer as provided under section 5.25, subdivision 6.

81.1 (c) Notice is deemed received by the complainant and the filer upon mailing.

81.2 (d) If the notice to the filer is returned as undeliverable, the office may deem the filing
81.3 fraudulent and immediately issue a final order as provided under section 300.76,
81.4 notwithstanding the time period under section 300.73.

81.5 **Sec. 6. [300.73] RESPONSE.**

81.6 (a) After notice is received, the filer must respond in writing to the allegations in the
81.7 declaration. The response must be received by the office within 21 calendar days of receipt
81.8 of the notice.

81.9 (b) The filer's response under this section must include any information refuting the
81.10 allegations contained in the complainant's declaration.

81.11 **Sec. 7. [300.74] PROCEDURE WHEN NO RESPONSE RECEIVED.**

81.12 If the filer does not respond within the time period under section 300.73, the office must
81.13 deem the filing fraudulent and issue a final order as provided under section 300.76.

81.14 **Sec. 8. [300.75] PROCEDURE WHEN RESPONSE RECEIVED.**

81.15 Subdivision 1. **Preliminary determination.** (a) If the filer responds within the period
81.16 under section 300.73, the office must further investigate the allegations in the declaration
81.17 and information in the response and make a preliminary determination regarding whether
81.18 the filing named in the declaration is fraudulent.

81.19 (b) The office may request additional information from the complainant and the filer if
81.20 necessary to make the preliminary determination.

81.21 Subd. 2. **Notice of preliminary determination.** The office must send notice of the
81.22 preliminary determination to the complainant and the filer in the manner described under
81.23 section 300.72. Notice is deemed received in the manner described under section 300.72.

81.24 Subd. 3. **Response.** After notice is received, the nonprevailing party must respond to
81.25 the preliminary determination within ten calendar days with additional information or
81.26 evidence in support of the nonprevailing party's position. The prevailing party may send
81.27 additional information or evidence within the same time period. The response must be
81.28 received by the office within the time period provided under this subdivision.

81.29 Subd. 4. **Procedure if no second response is received.** If the nonprevailing party does
81.30 not respond as required under subdivision 3, the preliminary determination becomes final
81.31 and the office must issue a final order under section 300.76.

82.1 Subd. 5. **Procedure if second response is received.** If the nonprevailing party responds
82.2 as required under subdivision 3, the office must consider the additional information provided,
82.3 make a final determination regarding whether the filing named in the declaration is fraudulent,
82.4 and issue a final order under section 300.76.

82.5 Subd. 6. **Factors.** When making a preliminary or final determination under this section,
82.6 the office may consider various factors, including but not limited to:

82.7 (1) whether the office has previously received declarations of wrongful filing or issued
82.8 final orders relating to the business, the filer, or the complainant;

82.9 (2) the previous filing history relating to the business, the filer, or the complainant;

82.10 (3) whether the filer or complainant failed to respond to a request for additional
82.11 information; and

82.12 (4) whether the office is able to independently verify the information provided by the
82.13 filer or complainant using publicly available information.

82.14 Sec. 9. **[300.76] FINAL ORDER.**

82.15 Subdivision 1. **Filings deemed fraudulent.** (a) If the office deems a filing fraudulent
82.16 under section 300.74 or 300.75, the office must issue a final order under this subdivision.
82.17 The final order must provide the office's rationale for deeming the filing fraudulent.

82.18 (b) When a filing is deemed fraudulent pursuant to a final order under this subdivision,
82.19 the filing must be treated for legal purposes as if the filing never existed. In the case of a
82.20 business registered using a Minnesota resident's name, address, or identity without the
82.21 resident's authorization, the business is deemed dissolved.

82.22 (c) When a filing is deemed fraudulent pursuant to a final order, the office must:

82.23 (1) mark the unauthorized filing or the business record as unauthorized or fraudulent;

82.24 (2) redact names and addresses that were used without authorization; and

82.25 (3) retain a copy of the final order.

82.26 (d) In addition to the actions in paragraph (c), the office may:

82.27 (1) disable additional filing functionality on the business entity's record; or

82.28 (2) take other action the office deems necessary to prevent further unauthorized filings,
82.29 protect private information, or prevent misuse of unauthorized information.

83.1 Subd. 2. Filings deemed not fraudulent or insufficient evidence. If the office
83.2 determines that a filing is not fraudulent or that insufficient information is available to make
83.3 a determination, the office must issue a final order stating that the office is not removing
83.4 the filing from the database. The final order must provide the office's rationale for
83.5 determining that the filing is not fraudulent or that insufficient information is available to
83.6 make a determination.

83.7 Sec. 10. [300.77] JUDICIAL REVIEW.

83.8 (a) Any party who is aggrieved by a final order under section 300.76 may appeal the
83.9 order to the district court of the Minnesota county where the business that is the subject of
83.10 the final order is registered or was registered before the business's dissolution or, if the
83.11 business is not registered in Minnesota, to the district court of Ramsey County. The aggrieved
83.12 party may also appeal the final order as part of any district court action between the filer
83.13 and complainant where the filing at issue is relevant to the issues in the case.

83.14 (b) The aggrieved party must serve a written copy of a notice of appeal upon the office
83.15 and any adverse party of record within 30 calendar days after the date the final order was
83.16 issued and must also file the original notice and proof of service with the court administrator
83.17 of the district court. Service may be made in person or by mail. Service by mail is complete
83.18 upon mailing. The court administrator is prohibited from requiring a filing fee for appeals
83.19 taken pursuant to this section.

83.20 (c) The office may elect to become a party to the proceedings in the district court.

83.21 (d) The court may order that the office furnish the court and all parties to the proceedings
83.22 with a copy of the decision, the filing that is the subject of the decision, and any materials
83.23 or information submitted to the office. Any materials provided under this section that are
83.24 filed with the court must be done so under restricted access unless the court orders otherwise.

83.25 (e) A party may obtain a hearing at a special term of the district court by serving a written
83.26 notice of the hearing's time and place at least ten days before the date of the hearing.

83.27 (f) A party aggrieved by the order of the district court may appeal the order as in other
83.28 civil cases. Costs or disbursements must not be taxed against a party. A filing fee or bond
83.29 must not be required of a party.

84.1 Sec. 11. **[300.78] DATA PRACTICES.**

84.2 Subdivision 1. **Definitions.** For purposes of this section, "nonpublic data" has the meaning
84.3 given in section 13.02, subdivision 9, and "private data on individuals" has the meaning

84.5 Subd. 2. **Data classification.** Data submitted by a complainant or filer under sections
84.6 300.70 to 300.78 is classified as nonpublic data or private data on individuals. A final order

84.8 personal contact information is classified as private data on individuals. The unredacted
84.9 version of a filing deemed fraudulent pursuant to a final order under section 300.76,
84.10 subdivision 1, is classified as nonpublic data or private data on individuals. The version of
84.11 the filing that has been redacted pursuant to section 300.76, subdivision 1, paragraph (c),
84.12 is classified as public data.

84.13 Subd. 3. **Dissemination permitted.** Notwithstanding subdivision 2, the office may
84.14 disseminate data of any classification collected, created, or maintained under sections 300.70
84.15 to 300.78:

84.16 (1) to the attorney general to aid the office in the investigation and review of a filing
84.17 that is the subject of a declaration of wrongful filing;

84.18 (2) to a person or agency if the office determines that access to the data aids a criminal
84.19 or civil investigation; or

84.20 (3) if required or authorized by a court order or other state or federal law.

84.21 Sec. 12. **[300.80] PROHIBITION ON DECEPTIVE BUSINESS MAILINGS.**

146.11 Minnesota or to ~~change~~ update information on an existing registration.

146.12 **EFFECTIVE DATE.** This section is effective July 1, 2025, except that this section is

146.16 indicating that an individual was previously registered in a different county in Minnesota
146.17 ~~shall~~ must update the voter's record electronically through the statewide registration system
146.18 in the manner prescribed by the secretary of state. A county auditor who receives a
146.19 registration application or notification requiring ~~a change~~ an update of registration records

146.31 political activities, or law enforcement.

146.32 **EFFECTIVE DATE.** This section is effective the day following final enactment.

147.1 Sec. 13. Minnesota Statutes 2024, section 201.091, subdivision 8, is amended to read:

147.5 to vote or update the voter's registration as provided in section 201.061, subdivision 1.

147.6 (b) An adequate supply of registration applications and instructions must be maintained
147.7 at each designated location, and a designated individual must be available there to accept
147.8 registration applications and transmit them to the county auditor.

147.9 (c) A person who, because of disability, needs assistance ~~in order~~ to determine eligibility
147.10 ~~or,~~ to register ~~must,~~ or to update a voter registration may be assisted by a designated

147.12 instructions and filling out the registration form as directed by the eligible voter.

147.13 Sec. 14. Minnesota Statutes 2024, section 201.121, subdivision 1, is amended to read:

147.14 Subdivision 1. **Entry of registration information.** (a) At the time a voter registration
147.15 application is properly completed, submitted, and received in accordance with sections
147.16 201.061 and 201.071, the county auditor ~~shall~~ must enter or update the information contained
147.17 on it into the statewide registration system. Voter registration applications completed before
147.18 election day must be entered into the statewide registration system within ten days after
147.19 they have been submitted to the county auditor. Voter registration applications completed
147.20 on election day must be entered into the statewide registration system within 42 days after
147.21 the election, unless the county auditor notifies the secretary of state before the deadline has
147.22 expired that the deadline will not be met. Upon receipt of a notification under this paragraph,
147.23 the secretary of state must extend the deadline for that county auditor by an additional 28
147.24 days. The secretary of state may waive a county's obligations under this paragraph if, on
147.25 good cause shown, the county demonstrates its permanent inability to comply.

147.26 The secretary of state must post data on each county's compliance with this paragraph on
147.27 the secretary of state's website including, as applicable, the date each county fully complied
147.28 or the deadline by which a county's compliance must be complete.

147.29 (b) Upon receiving a completed voter registration application, the secretary of state may
147.30 electronically transmit the information on the application to the appropriate county auditor
147.31 as soon as possible for review by the county auditor before final entry ~~into~~ or update in the
147.32 statewide registration system. The secretary of state may mail the voter registration
147.33 application to the county auditor.

148.1 (c) Within ten days after the county auditor has entered or updated information from a
148.2 voter registration application ~~into~~ in the statewide registration system, the secretary of state
148.3 ~~shall~~ must compare the voter's name, date of birth, and driver's license number, state
148.4 identification number, or the last four digits of the Social Security number with the same
148.5 information contained in the Department of Public Safety database.

148.6 (d) The secretary of state ~~shall~~ must provide a report to the county auditor on a weekly
148.7 basis that includes a list of voters whose name, date of birth, or identification number have
148.8 been compared with the same information in the Department of Public Safety database and
148.9 cannot be verified as provided in this subdivision. The report must list separately those
148.10 voters who have submitted a voter registration application by mail and have not voted in a
148.11 federal election in this state.

148.12 (e) The county auditor ~~shall~~ must compile a list of voters for whom the county auditor
148.13 and the secretary of state are unable to conclude that information on the voter registration
148.14 application and the corresponding information in the Department of Public Safety database
148.15 relate to the same person.

148.16 (f) The county auditor ~~shall~~ must send a notice of incomplete registration to any voter
148.17 whose name appears on the list and change the voter's status to "challenged." A voter who
148.18 receives a notice of incomplete registration from the county auditor may either provide the
148.19 information required to clear the challenge at least 21 days before the next election or at
148.20 the polling place on election day.

148.21 Sec. 15. Minnesota Statutes 2024, section 201.121, subdivision 3, is amended to read:

148.22 Subd. 3. **Postelection sampling.** (a) Within ten days after an election, the county auditor
148.23 ~~shall~~ must send the notice required by subdivision 2 to a random sampling of the individuals
148.24 who registered or updated voter registration information on election day. The random
148.25 sampling ~~shall~~ must be determined in accordance with the rules of the secretary of state.
148.26 As soon as practicable after the election, the county auditor ~~shall~~ must mail the notice
148.27 required by subdivision 2 to all other individuals who registered or updated voter registration
148.28 information on election day. If a notice is returned as not deliverable, the county auditor
148.29 ~~shall~~ must attempt to determine the reason for the return. A county auditor who does not
148.30 receive or obtain satisfactory proof of an individual's eligibility to vote ~~shall~~ must
148.31 immediately notify the county attorney of all of the relevant information. By February 15
148.32 of each year, the county auditor must notify the secretary of state of the following information
148.33 for each election held in the previous year by each precinct:

148.34 (1) the total number of all notices that were returned as nondeliverable;

149.1 (2) the total number of nondeliverable notices that the county auditor was able to
149.2 determine the reason for the return along with the reason for each return; and

149.3 (3) the total number of individuals for whom the county auditor does not receive or
149.4 obtain satisfactory proof of an individual's eligibility to vote.

149.5 (b) By March 1 of every year, the secretary of state ~~shall~~ must report to the chair and
149.6 ranking minority members of the legislative committees with jurisdiction over elections the
149.7 following information for each election held in the previous year by each precinct and each
149.8 county:

149.9 (1) the total number of all notices that were returned as nondeliverable;

149.10 (2) the total number of nondeliverable notices that a county auditor was able to determine
149.11 the reason for the return along with the reason for each return; and

149.12 (3) the total number of individuals for whom the county auditor does not receive or
149.13 obtain satisfactory proof of an individual's eligibility to vote.

149.14 Sec. 16. Minnesota Statutes 2024, section 201.13, subdivision 3, is amended to read:

149.15 Subd. 3. **Use of change of address system.** (a) At least once each month the secretary
149.16 of state ~~shall~~ must obtain a list of individuals registered to vote in this state who have filed
149.17 with the United States Postal Service a change of their permanent address. The secretary
149.18 of state may also periodically obtain a list of individuals with driver's licenses or state
149.19 identification cards to identify those who are registered to vote who have applied to the
149.20 Department of Public Safety for a replacement driver's license or state identification card
149.21 with a different address, and a list of individuals for whom the Department of Public Safety
149.22 received notification of a driver's license or state identification card cancellation due to a
149.23 change of residency out of state. However, the secretary of state ~~shall~~ must not load data
149.24 derived from these lists into the statewide voter registration system within the 47 days before
149.25 the state primary or 47 days before a November general election.

149.26 (b) If the address is changed to another address in this state, the secretary of state ~~shall~~
149.27 must locate the precinct in which the voter maintains residence, if possible. If the secretary
149.28 of state is able to locate the precinct in which the voter maintains residence, the secretary
149.29 must transmit the information about the changed address by electronic means to the county
149.30 auditor of the county in which the new address is located. For addresses for which the
149.31 secretary of state is unable to determine the precinct, the secretary may forward information
149.32 to the appropriate county auditors for individual review. If the voter has not voted or
149.33 submitted a voter registration application since the address change, upon receipt of the

150.1 information, the county auditor ~~shall~~ must update the voter's address in the statewide voter
150.2 registration system. The county auditor ~~shall~~ must mail to the voter a notice stating the
150.3 voter's name, address, precinct, and polling place, unless the voter's record is challenged
150.4 due to a felony conviction, noncitizenship, name change, incompetence, or a court's
150.5 revocation of voting rights of individuals under guardianship, in which case the auditor
150.6 must not mail the notice. The notice must advise the voter that the voter's voting address
150.7 has been ~~changed~~ updated and that the voter must notify the county auditor within 21 days
150.8 if the new address is not the voter's address of residence. The notice must state that it must
150.9 be returned if it is not deliverable to the voter at the named address.

150.10 (c) If the change of permanent address is to an address outside this state, the secretary
150.11 of state ~~shall~~ must notify by electronic means the auditor of the county where the voter
150.12 formerly maintained residence that the voter has moved to another state. If the voter has
150.13 not voted or submitted a voter registration application since the address change, the county
150.14 auditor ~~shall~~ must promptly mail to the voter at the voter's new address a notice advising
150.15 the voter that the voter's status in the statewide voter registration system will be changed to
150.16 "inactive" unless the voter notifies the county auditor within 21 days that the voter is retaining
150.17 the former address as the voter's address of residence, except that if the voter's record is
150.18 challenged due to a felony conviction, noncitizenship, name change, incompetence, or a
150.19 court's revocation of voting rights of individuals under guardianship, the auditor must not
150.20 mail the notice. If the notice is not received by the deadline, the county auditor ~~shall~~ must
150.21 change the voter's status to "inactive" in the statewide voter registration system.

150.22 (d) If, in order to maintain voter registration records, the secretary of state enters an
150.23 agreement to share information or data with an organization governed exclusively by a
150.24 group of states, the secretary must first determine that the data security protocols are sufficient
150.25 to safeguard the information or data shared. If required by such an agreement, the secretary
150.26 of state may share the following data from the statewide voter registration system and data
150.27 released to the secretary of state under section 171.12, subdivision 7a:

150.28 (1) name;

150.29 (2) date of birth;

150.30 (3) address;

150.31 (4) driver's license or state identification card number;

150.32 (5) the last four digits of an individual's Social Security number; and

150.33 (6) the date that an individual's record was last updated.

151.1 If the secretary of state enters into such an agreement, the secretary and county auditors
151.2 must process ~~changes~~ updates to voter records based upon that data in accordance with this
151.3 section. Except as otherwise provided in this subdivision, when data is shared with the
151.4 secretary of state by another state, the secretary of state must maintain the same data
151.5 classification that the data had while it was in the possession of the state providing the data.

151.6 Sec. 17. Minnesota Statutes 2024, section 201.14, is amended to read:

151.7 **201.14 COURT ADMINISTRATOR OF DISTRICT COURT; REPORT CHANGES**
151.8 **OF NAMES.**

151.9 The state court administrator ~~shall~~ must regularly report by electronic means to the
151.10 secretary of state the name, address, and, if available, driver's license or state identification
151.11 card number of each individual, 18 years of age or over, whose name was changed since
151.12 the last report, by marriage, divorce, or any order or decree of the court. The secretary of
151.13 state ~~shall~~ must determine if any of the ~~persons~~ individuals in the report are registered to
151.14 vote under their previous name and ~~shall~~ must prepare a list of those registrants for each
151.15 county auditor. Upon receipt of the list, the county auditor ~~shall make the change in~~ must
151.16 update the voter's record with this information and mail to the voter the notice of registration
151.17 required by section 201.121, subdivision 2. A notice must not be mailed if the voter's record
151.18 is challenged due to a felony conviction, lack of United States citizenship, legal
151.19 incompetence, or court-ordered revocation of voting rights of persons under guardianship.

151.20 Sec. 18. Minnesota Statutes 2024, section 201.161, subdivision 4, is amended to read:

151.21 Subd. 4. **Department of Human Services.** (a) If permitted by the federal government,
151.22 the commissioner of human services, in consultation with the secretary of state, must ensure
151.23 the applications described in subdivision 1, paragraph (a), clause (2), also serve as voter
151.24 registration applications for applicants 18 years of age or older whose United States
151.25 citizenship has been verified as part of the application. The commissioner must transmit
151.26 information required to register to vote, as prescribed by the secretary of state, daily by
151.27 electronic means to the secretary of state for an individual whose United States citizenship
151.28 has been verified. The commissioner must submit data to the secretary of state identifying
151.29 the total number of individuals who completed qualifying transactions under this section
151.30 and the total number of individuals whose records were ultimately transferred for registration
151.31 or updates to registrations. At a minimum, the commissioner must submit the data to the
151.32 secretary of state on the same day each month.

152.1 (b) No applicant may be registered to vote or have a registration updated under this
152.2 subdivision until (1) the commissioner of human services has certified that the department's
152.3 systems have been tested and can accurately provide the required data and accurately exclude
152.4 from transmission data on individuals who have not provided documentary evidence of
152.5 United States citizenship, and (2) the secretary of state has certified that the system for
152.6 automatic registration of those applicants has been tested and is capable of properly
152.7 determining whether an applicant is eligible to vote. The department's systems must be
152.8 tested and accurately provide the necessary data no later than September 30 of the year
152.9 following the year in which federal approval or permission is given, contingent on
152.10 appropriations being available for this purpose.

152.11 Sec. 19. Minnesota Statutes 2024, section 201.161, subdivision 5, is amended to read:

152.12 Subd. 5. **Other agencies and units of government.** (a) The commissioner of management
152.13 and budget must, in consultation with the secretary of state, identify any other state agency
152.14 that is eligible to implement automatic voter registration. The commissioner must consider
152.15 a state agency eligible if the agency collects, processes, or stores the following information
152.16 as part of providing assistance or services: name, residential address, date of birth, and
152.17 citizenship verification. An eligible agency must submit a report to the governor and secretary
152.18 of state no later than December 1, 2024, describing steps needed to implement automatic
152.19 voter registration, barriers to implementation and ways to mitigate them, and applicable
152.20 federal and state privacy protections for the data under consideration. By June 1, 2025, the
152.21 governor, at the governor's sole discretion, must make final decisions, as to which agencies
152.22 will implement automatic voter registration by December 31, 2025, and which agencies
152.23 could implement automatic voter registration if provided with additional resources or if the
152.24 legislature changed the law to allow data to be used for automatic voter registration. The
152.25 governor must notify the commissioner of management and budget of the governor's
152.26 decisions related to automatic voter registration. By October 1, 2025, the commissioner of
152.27 management and budget must report to the chairs and ranking minority members of the
152.28 legislative committees with jurisdiction over election policy and finance. The report must
152.29 include:

152.30 (1) the agencies that will implement automatic voter registration by December 31, 2025;

152.31 (2) the agencies which could implement automatic voter registration if provided with
152.32 additional resources and recommendations on the necessary additional resources; and

153.1 (3) the agencies that could implement automatic voter registration if the legislature
153.2 changed the law to allow data to be used for voter registration and recommendations on
153.3 how the law could be changed to allow the use of the data for this purpose.

153.4 (b) An agency may not begin verifying citizenship as part of an agency transaction for
153.5 the sole purpose of providing automatic voter registration. Once an agency has implemented
153.6 automatic voter registration, it must continue to provide automatic voter registration unless
153.7 otherwise expressly required by law. For each individual whose United States citizenship
153.8 has been verified, the commissioner or agency head must transmit information required to
153.9 register to vote, as prescribed by the secretary of state, to the secretary of state by electronic
153.10 means. The governor must determine the frequency of the transmissions for each agency.

153.11 (c) No applicant may be registered to vote or have a registration updated under this
153.12 subdivision until (1) the agency's commissioner or agency head has certified that the
153.13 necessary systems have been tested and can accurately provide the required data and
153.14 accurately exclude from transmission data on individuals whose United States citizenship
153.15 has not been verified, and (2) the secretary of state has certified that the system for automatic
153.16 registration of those applicants has been tested and is capable of properly determining
153.17 whether an applicant is eligible to vote.

153.18 Sec. 20. Minnesota Statutes 2024, section 201.161, subdivision 8, is amended to read:

153.19 Subd. 8. **Effective date of registration.** Unless the applicant declines registration, the
153.20 effective date for the voter registration or update to a voter registration is the date that the
153.21 county auditor processes the application. This subdivision does not limit the ability of a
153.22 person to register to vote or update their registration on election day as provided in section
153.23 201.061, subdivision 3. Any person who submits a qualifying application under subdivision
153.24 1 that is dated during the 20 days before an election must be provided, at the time of
153.25 application, with a notice advising the applicant of the procedures to register to vote or
153.26 update a voter registration on election day.

153.27 Sec. 21. Minnesota Statutes 2024, section 201.162, is amended to read:

153.28 **201.162 DUTIES OF STATE AGENCIES.**

153.29 The commissioner or chief administrative officer of each state agency or
153.30 community-based public agency or nonprofit corporation that contracts with the state agency
153.31 to carry out obligations of the state agency ~~shall~~ must provide voter registration services
153.32 for employees and the public, including, as applicable, automatic voter registration or
153.33 information on voter eligibility ~~and, registration procedures, and updating registrations~~ as

154.1 required under section 201.161. ~~A person~~ An individual may complete a voter registration
154.2 application or apply to ~~change~~ update a voter registration name or address if the ~~person~~
154.3 individual has the proper qualifications on the date of application. Nonpartisan voter
154.4 registration assistance, including routinely asking members of the public served by the
154.5 agency whether they would like to register to vote or update a voter registration and, if
154.6 necessary, assisting them in preparing the registration forms must be part of the job of
154.7 appropriate agency employees.

154.8 Sec. 22. Minnesota Statutes 2024, section 201.225, subdivision 2, is amended to read:

154.9 Subd. 2. **Technology requirements.** An electronic roster must:

154.10 (1) be able to be loaded with a data file that includes voter registration data in a file
154.11 format prescribed by the secretary of state;

154.12 (2) allow for data to be exported in a file format prescribed by the secretary of state;

154.13 (3) allow for data to be entered manually or by scanning a Minnesota driver's license or
154.14 identification card to locate a voter record or populate a voter registration application that
154.15 would be printed and signed and dated by the voter. The printed registration application

164.15 (2) the voter signed the certification on the envelope;

164.16 (3) the voter's Minnesota driver's license, state identification number, or the last four
164.17 digits of the voter's Social Security number are the same as a number on the voter's absentee
164.18 ballot application or voter record. If the number does not match, the election judges must
164.19 compare the signature provided by the applicant to determine whether the ballots were
164.20 returned by the same person to whom they were transmitted;

164.21 (4) the voter is registered and eligible to vote in the precinct or has included a properly
164.22 completed voter registration application in the signature envelope;

164.23 (5) the certificate has been completed as prescribed in the directions for casting an
164.24 absentee ballot; and

164.25 (6) the voter has not already voted at that election, either in person or, if it is after the
164.26 close of business on the 19th day before the election, as provided by section 203B.081.

164.27 The signature envelope from accepted ballots must be preserved and returned to the
164.28 county auditor.

164.29 (c)(1) If a majority of the members of the ballot board examining a signature envelope
164.30 find that an absentee voter has failed to meet one of the requirements provided in paragraph
164.31 (b), they shall mark the signature envelope "Rejected," initial or sign it below the word
164.32 "Rejected," list the reason for the rejection on the envelope, and return it to the county
164.33 auditor. There is no other reason for rejecting an absentee ballot beyond those permitted by

165.1 this section. Failure to place the ballot within the ballot envelope before placing it in the
165.2 outer white envelope is not a reason to reject an absentee ballot.

165.3 (2) If an envelope has been rejected at least five days before the election, the envelope
165.4 must remain sealed and the official in charge of the ballot board shall provide the voter with
165.5 a replacement absentee ballot and signature envelope in place of the rejected ballot.

165.6 (3) If an envelope is rejected within five days of the election, the envelope must remain
165.7 sealed and the official in charge of the ballot board must attempt to contact the voter to
165.8 notify the voter that the voter's ballot has been rejected by the method or methods of
165.9 communication provided by the voter on the voter's application for an absentee ballot or
165.10 voter registration. The official must document the attempts made to contact the voter.

165.11 (d) The official in charge of the absentee ballot board must mail the voter a written notice
165.12 of absentee ballot rejection between six and ten weeks following the election. If the official
165.13 determines that the voter has otherwise cast a ballot in the election, no notice is required.
165.14 If an absentee ballot arrives after the deadline for submission provided by this chapter, the
165.15 notice must be provided between six to ten weeks after receipt of the ballot. A notice of
165.16 absentee ballot rejection must contain the following information:

165.17 (1) the date on which the absentee ballot was rejected or, if the ballot was received after
165.18 the required deadline for submission, the date on which the ballot was received;

165.19 (2) the reason for rejection; and

165.20 (3) the name of the appropriate election official to whom the voter may direct further
165.21 questions, along with appropriate contact information.

165.22 (e) An absentee ballot signature envelope marked "Rejected" may not be opened or
165.23 subject to further review except in an election contest filed pursuant to chapter 209.

165.24 Sec. 36. Minnesota Statutes 2024, section 203B.121, subdivision 4, is amended to read:

165.25 Subd. 4. **Opening of envelopes.** (a) After the close of business on the 19th day before
165.26 the election, the ballots from ~~secrecy~~ ballot envelopes within the signature envelopes marked
165.27 "Accepted" may be opened, duplicated as needed in the manner provided in section 206.86,
165.28 subdivision 5, initialed by the members of the ballot board, and deposited in the appropriate
165.29 ballot box. If more than one voted ballot is enclosed in the ballot envelope, the ballots must
165.30 be returned in the manner provided by section 204C.25 for return of spoiled ballots, and
165.31 may not be counted.

(b) Accepted signature envelopes must be segregated by precinct and processed in accordance with this subdivision on a precinct-by-precinct basis. Precincts within a combined polling place established in section 205A.11, subdivision 2, may be processed together. At each step, members of the ballot board must notify the official responsible for the ballot board if there is a discrepancy in any count required by paragraphs (c) to (e) and note it in the ballot board incident log.

(c) Before opening accepted signature envelopes, two members of the ballot board must count and record the number of envelopes and ensure that the count matches either the number of accepted signature envelopes provided by the official responsible for the ballot board or the number of signature envelopes accepted by the ballot board that day.

(d) Two members of the ballot board must remove the ballots from the ballot envelopes. The governing body responsible for the ballot board must retain all ballot envelopes through the contest period of that election.

(e) After ballots have been removed from the ballot envelopes, two members of the ballot board must count and record the number of ballots to ensure the count matches the number of accepted signature envelopes, accounting for any empty envelopes or spoiled ballots, which must be noted on the ballot board incident log.

Sec. 37. Minnesota Statutes 2024, section 203B.121, subdivision 5, is amended to read:

Subd. 5. Storage and counting of absentee ballots. (a) On a day on which absentee ballots are inserted into a ballot box, two members of the ballot board must:

(1) remove the ballots from the ballot box at the end of the day;

(2) without inspecting the ballots, ensure that the number of ballots removed from the ballot box is equal to the number of ~~voters whose absentee ballots were accepted~~ ballots in subdivision 4 that were to be inserted into the ballot box that day; and

(3) seal and secure all voted and unvoted ballots present in that location at the end of the day.

(b) After the polls have closed on election day, two members of the ballot board must count the ballots, tabulating the vote in a manner that indicates each vote of the voter and the total votes cast for each candidate or question. In state primary and state general elections, the results must indicate the total votes cast for each candidate or question in each precinct and report the vote totals tabulated for each precinct. The count must be recorded on a summary statement in substantially the same format as provided in section 204C.26. The ballot board ~~shall~~ must submit at least one completed summary statement to the county

auditor or municipal clerk. The county auditor or municipal clerk may require the ballot board to submit a sufficient number of completed summary statements to comply with the provisions of section 204C.27, or the county auditor or municipal clerk may certify reports containing the details of the ballot board summary statement to the recipients of the summary statements designated in section 204C.27.

~~In state primary and state general elections, These vote totals shall~~ must be added to the vote totals on the summary statements of the returns for the appropriate precinct. ~~In other elections, these vote totals may be added to the vote totals on the summary statement of returns for the appropriate precinct or may be reported as a separate total.~~

The count ~~shall~~ must be public. No vote totals from ballots may be made public before the close of voting on election day.

(c) In addition to the requirements of paragraphs (a) and (b), if the task has not been completed previously, the members of the ballot board must verify as soon as possible, but no later than 24 hours after the end of the hours for voting, that voters whose absentee ballots arrived after the rosters were marked or supplemental reports were generated and whose ballots were accepted did not vote in person on election day. An absentee ballot submitted by a voter who has voted in person on election day must be rejected. All other accepted absentee ballots must be opened in accordance with the procedures outlined in subdivision 4, except for the absentee ballots cast using the alternative procedure in section 203B.081, subdivision 3, duplicated if necessary, and counted by members of the ballot board. The vote totals from these ballots must be incorporated into the totals with the other absentee ballots and handled according to paragraph (b).

Sec. 38. Minnesota Statutes 2024, section 203B.17, subdivision 3, is amended to read:

Subd. 3. **Website security.** (a) The secretary of state shall maintain a log of each Internet Protocol address used to submit an absentee ballot application electronically under this section, and must monitor the log, volume of website use, and other appropriate indicators for suspicious activity. Evidence of suspicious activity that cannot be resolved by the secretary of state must be forwarded to an appropriate law enforcement agency for investigation.

(b) The electronic absentee ballot application system must be secure. The website shall maintain the confidentiality of all users and preserve the integrity of the data submitted. The secretary of state shall employ security measures to ensure the accuracy and integrity of absentee ballot applications submitted electronically pursuant to this section. All data sent and received through the website must be encrypted.

168.1 (c) The secretary of state must provide ongoing testing and monitoring to ensure continued
168.2 security. The secretary of state must work with the chief information officer as defined in
168.3 section 16E.01, subdivision 1, or another security expert to annually assess the security of
168.4 the system. The security assessment must include a certification signed by the secretary of
168.5 state that states that adequate security measures are in place. The certification must also be
168.6 signed by the chief information officer or another security expert affirming that the
168.7 assessment is accurate. The secretary of state must submit the security assessment to the
168.8 legislative auditor and to the chairs and ranking minority members of the committees in the
168.9 senate and house of representatives with primary jurisdiction over elections by January 1
168.10 of each year, ~~except that the first annual security assessment must be submitted by September~~
168.11 ~~30, 2014, and no report is required for January 1, 2015.~~

168.12 (d) In developing the electronic absentee ballot application system, the secretary of state
168.13 must consult with the chief information officer or the chief's designee to ensure the site is
168.14 secure.

168.15 Sec. 39. Minnesota Statutes 2024, section 203B.23, subdivision 2, is amended to read:

168.16 Subd. 2. **Duties.** (a) The absentee ballot board must examine all returned absentee ballot
168.17 envelopes for ballots issued under sections 203B.16 to 203B.27 and accept or reject the
168.18 absentee ballots in the manner provided in section 203B.24. If the certificate of voter
168.19 eligibility is not printed on the signature envelope, the certificate must be attached to the
168.20 ballot envelope.

168.21 (b) The absentee ballot board must immediately examine the signature envelopes or
168.22 certificates of voter eligibility that are attached to the ballot envelopes and mark them
168.23 "accepted" or "rejected" during the 45 days before the election. If an envelope has been
168.24 rejected at least five days before the election, the ballots in the envelope must be considered
168.25 spoiled ballots and the official in charge of the absentee ballot board must provide the voter
168.26 with a replacement absentee ballot and envelopes in place of the spoiled ballot.

168.27 (c) If a county has delegated the responsibility for administering absentee balloting to
168.28 a municipality under section 203B.05, accepted absentee ballots must be delivered to the
168.29 appropriate municipality's absentee ballot board, except as otherwise provided in this
168.30 paragraph. If a municipality and county agree that the county's ballot board retains
168.31 responsibility for ballots issued pursuant to sections 203B.16 to 203B.27, absentee ballots
168.32 issued pursuant to these sections that are accepted must be opened, counted, and retained
168.33 by the county's absentee ballot board. The absentee ballot board with the authority to open

169.1 and count the ballots must do so in accordance with section 203B.121, subdivisions 4 and
169.2 5.

169.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

169.4 Sec. 40. Minnesota Statutes 2024, section 203B.29, subdivision 1, is amended to read:

169.5 Subdivision 1. **Emergency response providers.** Any eligible Minnesota voter who is
169.6 a trained or certified emergency response provider or utility worker who is deployed in
169.7 response to any state of emergency declared by the President of the United States or any
169.8 governor of any state within the United States during the time period authorized by law for
169.9 absentee voting or on election day may request that ballots, instructions, and a certificate
169.10 of voter eligibility be transmitted to the voter electronically. Upon receipt of a properly
169.11 completed application requesting electronic transmission, the county auditor must
169.12 electronically transmit the requested materials to the voter. The absentee ballot application
169.13 deadlines in section 203B.04, subdivision 1, do not apply to this subdivision. The county
169.14 auditor is not required to provide return postage to voters to whom ballots are transmitted
169.15 electronically.

169.16 Sec. 41. Minnesota Statutes 2024, section 203B.29, subdivision 2, is amended to read:

169.17 Subd. 2. **Reasonable accommodation for voter with disability.** Any eligible Minnesota
169.18 voter with a print disability, including any voter with disabilities that interfere with the
169.19 effective reading, writing, or use of printed materials, may request that ballots, instructions,
169.20 and a certificate of voter eligibility be transmitted to the voter electronically in an accessible
169.21 format that meets Election Assistance Commission minimum accessibility requirements.
169.22 Upon receipt of a properly completed application requesting electronic transmission, the
169.23 county auditor shall electronically transmit the requested materials to the voter. The absentee
169.24 ballot application deadlines in section 203B.04, subdivision 1, do not apply to this
169.25 subdivision. The county auditor must also mail the voter materials required under section
169.26 203B.07.

169.27 Sec. 42. Minnesota Statutes 2024, section 203B.30, subdivision 2, is amended to read:

169.28 Subd. 2. **Voting procedure.** (a) When a voter appears in an early voting polling place,
169.29 the voter must state the voter's name, address, and, if requested, the voter's date of birth to
169.30 the early voting official. The early voting official must confirm that the voter's registration
169.31 is current in the statewide voter registration system and that the voter has not already cast
169.32 a ballot in the election. If the voter's status is challenged, the voter may resolve the challenge

170.1 as provided in section 204C.12. An individual who is not registered to vote ~~or~~ must register
170.2 and a voter whose name or address has changed must register update the voter's registration
170.3 in the manner provided in section 201.061, subdivision 3. A voter who has already cast a
170.4 ballot in the election must not be provided with a ballot.

170.5 (b) Each voter must sign the certification provided in section 204C.10. The signature of
170.6 an individual on the voter's certificate and the issuance of a ballot to the individual is evidence
170.7 of the intent of the individual to vote at that election. After the voter signs the certification,
170.8 two early voting officials must initial the ballot and issue it to the voter. The voter must
170.9 immediately retire to a voting station or other designated location in the polling place to
170.10 mark the ballot. The voter must not take a ballot from the polling place. If the voter spoils
170.11 the ballot, the voter may return it to the early voting official in exchange for a new ballot.
170.12 After completing the ballot, the voter must deposit the ballot into the ballot counter and
170.13 ballot box. The early voting official must immediately record that the voter has voted in the
170.14 manner provided in section 203B.121, subdivision 3.

170.15 **EFFECTIVE DATE.** This section is effective upon the revisor of statutes' receipt of
170.16 the early voting certification and applies to elections held on or after the 85th day after the
170.17 revisor of statutes receives the certification.

170.18 Sec. 43. Minnesota Statutes 2024, section 203B.30, subdivision 3, is amended to read:

170.19 Subd. 3. **Processing of ballots.** Each day when early voting occurs, the early voting
170.20 officials must:

170.21 (1) remove and secure ballots cast during the early voting period following the procedures
170.22 in section 203B.121, subdivision 5, paragraph (a), noting the date, voting location, and
170.23 number of ballots cast;

170.24 (2) without inspecting the ballots, ensure that the number of ballots removed from the
170.25 ballot box is equal to the number of voter certificates that were signed by voters in subdivision
170.26 2, paragraph (b); and

170.27 (3) seal and secure all voted and unvoted ballots present in that location at the end of
170.28 the day.

170.29 The ~~absentee~~ ballot board must count the ballots after the polls have closed on election
170.30 day following the procedures in section 203B.121, subdivision 5, paragraph (b).

170.31 **EFFECTIVE DATE.** This section is effective upon the revisor of statutes' receipt of
170.32 the early voting certification and applies to elections held on or after the 85th day after the
170.33 revisor of statutes receives the certification.

171.1 Sec. 44. Minnesota Statutes 2024, section 204B.06, subdivision 1, is amended to read:

171.2 Subdivision 1. **Form of affidavit.** (a) An affidavit of candidacy shall state the name of
171.3 the office sought and, except as provided in subdivision 4, shall state that the candidate:

171.4 (1) is an eligible voter;

171.5 (2) has no other affidavit on file as a candidate for any office at the same primary or
171.6 next ensuing general election, except as authorized by subdivision 9; and

171.7 (3) is, or will be on assuming the office, 21 years of age or more, and will have maintained
171.8 residence in the district from which the candidate seeks election for 30 days before the
171.9 general election.

171.10 (b) An affidavit of candidacy must include a statement that the candidate's name as
171.11 written on the affidavit for ballot designation is the candidate's true name or the name by

171.14 designated for the ballot; or

171.15 (2) a certification that the candidate is directing the official responsible for programming
171.16 materials for the election to use the applicable technology's default pronunciation of the

171.19 political party or political principle, stated in three words or less.

171.20 **EFFECTIVE DATE.** This section is effective January 1, 2026.

171.22 Subd. 1b. **Address, electronic mail address, and telephone number.** (a) An affidavit
171.23 of candidacy must state a telephone number where the candidate can be contacted. An
171.24 affidavit must also state the candidate's or campaign's nongovernment issued electronic
171.25 mail address or an attestation that the candidate and the candidate's campaign do not possess
171.26 an electronic mail address. Except for affidavits of candidacy for (1) judicial office, (2) the
171.27 office of county attorney, or (3) county sheriff, an affidavit must also state the candidate's
171.28 current address of residence as determined under section 200.031, or at the candidate's
171.29 request in accordance with paragraph (c), the candidate's campaign contact address. When
171.30 filing the affidavit, the candidate must present the filing officer with the candidate's valid
171.31 driver's license or state identification card that contains the candidate's current address of
171.32 residence, or documentation of proof of residence authorized for election day registration

172.1 in section 201.061, subdivision 3, paragraph (a), clause (2); clause (3); ~~item (ii);~~ or paragraph
172.2 (d). If an original bill is shown, the due date on the bill must be within 30 days before or
172.3 after the beginning of the filing period or, for bills without a due date, dated within 30 days
172.4 before the beginning of the filing period. If the address on the affidavit and the documentation
172.5 do not match, the filing officer must not accept the affidavit. The form for the affidavit of
172.6 candidacy must allow the candidate to request, if eligible, that the candidate's address of
172.7 residence be classified as private data, and to provide the certification required under
172.8 paragraph (c) for classification of that address.

172.9 (b) If an affidavit for an office where a residency requirement must be satisfied by the
172.10 close of the filing period is filed as provided by paragraph (c), the filing officer must, within
172.11 one business day of receiving the filing, determine whether the address provided in the
172.12 affidavit of candidacy is within the area represented by the office the candidate is seeking.
172.13 For all other candidates who filed for an office whose residency requirement must be satisfied
172.14 by the close of the filing period, a registered voter in this state may request in writing that
172.15 the filing officer receiving the affidavit of candidacy review the address as provided in this
172.16 paragraph, at any time up to one day after the last day for filing for office. If requested, the
172.17 filing officer must determine whether the address provided in the affidavit of candidacy is
172.18 within the area represented by the office the candidate is seeking. If the filing officer
172.19 determines that the address is not within the area represented by the office, the filing officer
172.20 must immediately notify the candidate and the candidate's name must be removed from the
172.21 ballot for that office. A determination made by a filing officer under this paragraph is subject
172.22 to judicial review under section 204B.44.

172.23 (c) If the candidate requests that the candidate's address of residence be classified as
172.24 private data, the candidate must list the candidate's address of residence on a separate form
172.25 to be attached to the affidavit. The candidate must also certify on the affidavit that either:

172.27 candidate has a reasonable fear in regard to the safety of the candidate or the candidate's
172.28 family; or (2) the candidate's address is otherwise private pursuant to Minnesota law. The
172.29 address of residence provided by a candidate who makes a request for classification on the
172.30 candidate's affidavit of candidacy and provides the certification required by this paragraph
172.31 is classified as private data, as defined in section 13.02, subdivision 12, but may be reviewed
172.32 by the filing officer as provided in this subdivision.

172.33 ~~(d) The requirements of this subdivision do not apply to affidavits of candidacy for a~~
172.34 ~~candidate for: (1) judicial office; (2) the office of county attorney; or (3) county sheriff.~~

172.35 **EFFECTIVE DATE.** This section is effective the day following final enactment.

173.1 Sec. 46. Minnesota Statutes 2024, section 204B.07, subdivision 2, is amended to read:

173.2 Subd. 2. **Petitions for presidential electors and alternates.** (a) This subdivision section
173.3 does not apply to candidates for presidential elector or alternate nominated by major political
173.4 parties. Major party candidates for presidential elector or alternate are certified under section
173.5 208.03. Other presidential electors or alternates are nominated by petition pursuant to this
173.6 section.

173.7 (b) On petitions nominating presidential electors or alternates, the names of the candidates
173.8 for president and vice-president shall be added to the political party or political principle
173.9 stated on the petition. One petition may be filed to nominate a slate of presidential electors
173.10 equal in number to the number of electors to which the state is entitled and an alternate for
173.11 each elector nominee.

173.12 (c) In addition to the petition, each nominated candidate must submit a signed, notarized
173.13 affidavit of candidacy for president or vice president that includes the following information:

173.15 (2) the candidate's campaign address, website, phone number, and email address;

173.16 (3) the name of the political party or political principle stated on the petition;

173.17 (4) the office sought by the candidate; and

173.18 (5) a declaration that the candidate is aware of and will follow all applicable election
173.19 laws and campaign finance laws.

173.20 Sec. 47. Minnesota Statutes 2024, section 204B.09, subdivision 1a, is amended to read:

173.21 Subd. 1a. **Absent candidates.** (a) A candidate for special district, county, state, or federal
173.22 office who will be absent from the state during the filing period may submit a properly
173.23 executed affidavit of candidacy, the appropriate filing fee, and any necessary petitions in
173.24 person to the filing officer. The candidate shall state in writing the reason for being unable
173.25 to submit the affidavit during the filing period. The affidavit, filing fee, if any, and petitions
173.26 must be submitted to the filing officer during the seven days immediately preceding the
173.27 candidate's absence from the state. Nominating petitions may be signed during the 14 days
173.28 immediately preceding the date when the affidavit of candidacy is filed.

173.29 (b) A candidate for special district, county, state, or federal office who will be absent
173.30 from the state during the entire filing period or who must leave the state for the remainder
173.31 of the filing period and who certifies to the secretary of state that the circumstances constitute
173.32 an emergency and were unforeseen, may submit a properly executed affidavit of candidacy

174.1 by facsimile device or by transmitting electronically a scanned image of the affidavit and
174.2 proof of residence required in section 204B.06, subdivision 1b, to the secretary of state
174.3 during the filing period. The candidate shall state in writing the specific reason for being
174.4 unable to submit the affidavit by mail or by hand during the filing period or in person prior
174.5 to the start of the filing period. The affidavit of candidacy, filing fee, if any, and any necessary
174.6 petitions must be received by the secretary of state by 5:00 p.m. on the last day for filing.
174.7 If the candidate is filing for a special district or county office, the secretary of state shall
174.8 forward the affidavit of candidacy, filing fee, if any, and any necessary petitions to the
174.9 appropriate filing officer. Copies of a proof of residence submitted under this subdivision
174.10 are private data on individuals, as defined in section 13.02, subdivision 12.

174.11 **EFFECTIVE DATE.** This section is effective the day following final enactment.

174.12 Sec. 48. Minnesota Statutes 2024, section 204B.09, subdivision 2, is amended to read:

174.13 Subd. 2. **Other elections.** (a) Affidavits of candidacy and nominating petitions for city,
174.14 town or other elective offices shall be filed during the time and with the official specified
174.15 in chapter 205 or other applicable law or charter, except as provided for a special district
174.16 candidate under subdivision 1a. Affidavits of candidacy and applications filed on behalf of
174.17 eligible voters for school board office shall be filed during the time and with the official
174.18 specified in chapter 205A or other applicable law. Affidavits of candidacy, including proof
174.19 of residence required in section 204B.06, subdivision 1b, and nominating petitions filed

181.4 proper precinct or does not include the eligible voter's telephone number, email address,
181.5 and date the eligible voter indicated their willingness to act as an election judge, the
181.6 associated name must not appear in any list forwarded to an appointing authority under this
181.7 subdivision. The secretary of state ~~shall~~ must notify political parties of any proposed election

181.30 ~~furnished or if additional election judges are required after all listed names in that~~
181.31 ~~municipality have been exhausted, the appointing authority may appoint other individuals~~
181.32 ~~who meet the qualifications to serve as an election judge, including persons on the list~~

182.23 the person must be available to perform the various duties. Any individual from the list who
182.24 does not respond within seven days to express an availability to serve is deemed to have

182.26 shortened to three days.

182.27 (e) If no lists have been furnished, or when lists have been furnished, after the processes
182.28 in paragraphs (c) and (d) are complete, an appointing authority may appoint other individuals
182.29 who meet the qualifications to serve as an election judge.

185.26 supplies to the municipal clerks in the same manner as the supplies are furnished to precincts
185.27 in unorganized territory pursuant to section 204B.29, subdivision 1.

185.28 (b) The county auditor must prepare and make available election materials for early
185.29 voting to municipal clerks designated to administer early voting under section 203B.05 on
185.30 or before the 19th day before the election.

186.1 Sec. 62. Minnesota Statutes 2024, section 204B.44, is amended to read:

186.2 **204B.44 ERRORS AND OMISSIONS; REMEDY.**

186.3 (a) Any individual may file a petition in the manner provided in this section for the
186.4 correction of any of the following errors, omissions, or wrongful acts which have occurred
186.5 or are about to occur:

186.6 (1) an error or omission in the placement or printing of the name or description of any
186.7 candidate or any question on any official ballot, including the placement of a candidate on
186.8 the official ballot who is not eligible to hold the office for which the candidate has filed;

186.9 (2) any other error in preparing or printing any official ballot;

186.10 (3) failure of the chair or secretary of the proper committee of a major political party to
186.11 execute or file a certificate of nomination;

186.12 (4) any wrongful act, omission, or error of any election judge, municipal clerk, county
186.13 auditor, canvassing board or any of its members, the secretary of state, or any other individual
186.14 charged with any duty concerning an election.

186.15 (b) The petition shall describe the error, omission, or wrongful act and the correction
186.16 sought by the petitioner. The petition shall be filed with any judge of the supreme court in
186.17 the case of an election for state or federal office or any judge of the district court in that
186.18 county in the case of an election for county, municipal, or school district office. The petitioner
186.19 shall serve a copy of the petition on the officer, board or individual charged with the error,
186.20 omission, or wrongful act, on all candidates for the office in the case of an election for state,
186.21 federal, county, municipal, or school district office, and on any other party as required by
186.22 the court. Upon receipt of the petition the court shall immediately set a time for a hearing
186.23 on the matter and order the officer, board or individual charged with the error, omission or
186.24 wrongful act to correct the error or wrongful act or perform the duty or show cause for not
186.25 doing so. In the case of a review of a candidate's eligibility to hold office, the court may
186.26 order the candidate to appear and present sufficient evidence of the candidate's eligibility.
186.27 The court shall issue its findings and a final order for appropriate relief as soon as possible
186.28 after the hearing. Failure to obey the order is contempt of court.

186.29 (c) Any service required by this section on a candidate may be accomplished by electronic
186.30 mail sent to the address the candidate provided on their affidavit of candidacy pursuant to
186.31 section 204B.06, subdivision 1b, or by any other means permitted by law.

186.32 (d) If all candidates for an office and the officer, board, or individual charged with the
186.33 error, omission, or wrongful act unanimously agree in writing:

187.1 (1) that an error, omission, or wrongful act occurred; and
187.2 (2) on the appropriate correction for the error, omission, or wrongful act,
187.3 then the officer, board, or individual charged with the error, omission, or wrongful act must
187.4 correct the error in the manner agreed to without an order from the court. Such agreement
187.5 must address, at a minimum, how the correction will take place and, if the correction involves
187.6 a change to a ballot, how voters who have received or returned an incomplete ballot will
187.7 be notified of the change and what, if any, steps voters who have returned an incorrect ballot
187.8 can take to receive a corrected replacement ballot.

187.9 The officer, board, or individual must notify the secretary of state in writing of the error
187.10 and proposed correction within one business day of receiving notification of the candidate's
187.11 written agreement and must not distribute any ballots reflecting the proposed correction for
187.12 two business days unless the secretary of state waives this notice period. Nothing in this
187.13 paragraph shall be construed to preclude any person from filing a petition under this section
187.14 alleging that the written agreement constitutes an error, omission, or wrongful act that
187.15 requires correction by the court.

187.16 (e) Any candidate for an office who does not enter into an agreement under paragraph
187.17 (d) and who does not prevail at any subsequent proceeding involving a petition filed under
187.18 this section must pay the costs and disbursements of the prevailing party or parties unless
187.19 the court determines that the candidate's position was substantially justified or such costs
187.20 and disbursements would impose undue hardship or otherwise be inequitable.

187.21 (f) Notwithstanding any other provision of this section, an official may correct any
187.22 official ballot without order from the court if the ballot is not in compliance with sections
187.23 204B.35 to 204B.37 or any rules promulgated under sections 204B.35 to 204B.37.

187.24 **EFFECTIVE DATE.** This section is effective June 1, 2025.

188.7 may consist of deputy county auditors or deputy municipal clerks who have received training
188.8 in the processing and counting of mail ballots, who need not be affiliated with a major
188.9 political party. Election judges performing the duties in this section must be of different
188.10 major political parties, unless they are exempt from that requirement under section 204B.21,
188.11 subdivision 2a; 205.07, subdivision 4; 205.075, subdivision 4²; or section 205A.10. If an

188.15 of the election, the envelope must remain sealed and the official in charge of the ballot board

188.26 one vote total. No vote totals from mail or absentee ballots may be made public before the
188.27 close of voting on election day.

201.28 Sec. 88. Minnesota Statutes 2024, section 207A.11, is amended to read:

201.29 **207A.11 PRESIDENTIAL NOMINATION PRIMARY ESTABLISHED.**

201.30 (a) A presidential nomination primary must be held each year in which a president and

202.1 (b) The party chairs must jointly submit to the secretary of state, no later than March 1
202.2 in a year prior to a presidential election year, the single date on which the parties have agreed
202.3 to conduct the presidential nomination primary in the next year. The date selected must not
202.4 be the date of the town general election provided in section 205.075, subdivision 1. If a date
202.5 is not jointly submitted by the deadline, the presidential nomination primary must be held
202.6 on the first Tuesday in March in the year of the presidential election. No other election may
202.7 be conducted on the date of the presidential nomination primary.

202.8 (c) The secretary of state must adopt rules to implement the provisions of this chapter.
202.9 The secretary of state shall consult with the party chairs throughout the rulemaking process,
202.10 including seeking advice about possible rules before issuing a notice of intent to adopt rules,
202.11 consultation before the notice of comment is published, consultation on the statement of
202.12 need and reasonableness, consultation in drafting and revising the rules, and consultation
202.13 regarding any modifications to the rule being considered.

202.14 (d) This chapter only applies to a major political party that selects delegates at the

202.30 (b) If at least one party pays the secretary of state the amount invoiced to it under
202.31 paragraph (a) by October 1 of the year preceding a presidential election year, then a
202.32 presidential nomination primary must be held the following year. If a party does not pay
202.33 the amount invoiced to it under paragraph (a) by October 1 of the year preceding a
202.34 presidential election year, then section 207A.13 does not apply to that party in the following

203.1 year, and a presidential nomination primary ballot must not be prepared for that party. If
203.2 no party pays the secretary of state the amount invoiced to it under paragraph (a) by October
203.3 1 of the year preceding a presidential election year, then a presidential nomination primary
203.4 must not be held.

204.14 of a debt, or levy of a tax, it shall state the amount. Notice of the election shall be given as
204.15 in the case of special elections. If the question submitted is adopted, the board shall pass an
204.16 appropriate resolution to carry it into effect. In the election the form of the ballot shall be:
204.17 "Shall (here state the substance of the resolution to be submitted)?, Yes No.....". The

Sec. 95. **VOTER OUTREACH; SECRETARY OF STATE.**

The secretary must focus on counties with the lowest voter turnout in the 2022 and 2024 general elections. At a minimum, these efforts must include publicizing the methods of registering to vote or updating a voter registration, the ways to vote on or before election day, and recent changes to laws relating to voter registration and early voting. The secretary of state must provide these voter outreach materials in the three most common non-English languages and any other language required for a language minority district in a county, as defined by Minnesota Statutes, section 204B.295.

207.1 (b) By January 15, 2027, the secretary of state must report to the chairs and ranking
207.2 minority members of the legislative committees with jurisdiction over election policy and
207.3 finance on the voter outreach efforts required in paragraph (a). At a minimum, the report
207.4 must include:

207.5 (1) which counties were identified as the lowest voter turnout counties and how they
207.6 were identified;

207.8 eligible voters who cast ballots for the 2022, 2024, and 2026 general elections;

207.9 (3) a description of voter outreach efforts that were conducted pursuant to paragraph
207.10 (a), including, where applicable, details of what efforts took place in each county;

207.12 (5) a listing of the non-English language materials that were provided and, where
207.13 applicable, in which counties.

207.14 If data described in clause (2) for the 2026 general election is not available for purposes
207.15 of calculating the percentage of eligible voters who cast ballots, the secretary of state must
207.16 use the most recent data available. When data from the 2026 general election becomes
207.17 available, the secretary of state must update the report with the percentages for each county
207.18 and provide the updated report to the chairs and ranking minority members of the legislative
207.19 committees with jurisdiction over election policy and finance.

207.20 Sec. 96. **REPEALER.**

207.21 Minnesota Statutes 2024, sections 206.57, subdivision 5b; 206.95; and 209.06, are
