

Chisholm Public Schools

ISD 695 Attendance Pilot
Presented by: Mark Morrison Superintendent
Ryan Bennett Attendance Coordinator

Chisholm Attendance Goals

Structural Goals

Align with MTSS Structure initiatives with bi-weekly attendance data meetings to discuss interventions

Results

All buildings now hold regular attendance meetings where attendance interventions are planned and tracked

Attendance Tracking

Track attendance with accuracy

Results

Consistency in the definition of absences vs. tardy along with daily accuracy checks

Accountability

Following procedures of communication with families and county services.

Results

1. Bi-weekly meetings to share data on student attendance and create supports
2. Need more time to accumulate data to gauge results

Strategies

Attendance Plans

Set Goals

Work with families

Alternative transportation

Communication with families on student progress

Recognizing Barriers

Student Engagement

Sense of Belonging

Academic Challenges

(providing interventions and building relationships with students so we recognize how to help them)

Improve Procedures

Communication with families daily on absences

Coding

Accountability and follow through on all our procedures of notification for absences and tardies
