

S.F. No. 1176 – P-TECH implementation grants

Author: Senator Liz Boldon

Prepared by: Bjorn Arneson, Legislative Analyst (bjorn.arneson@mnsenate.gov)

Date: February 24, 2025

S.F. 1176 appropriates money for P-TECH implementation grants and allocates a portion of the appropriation for grants to a public-private partnership that includes the Rochester School District.

Additional background information:

P-TECH schools are established as public-private partnerships to develop programs of study in high-wage, high-skill, and high-demand career areas. The programs include secondary and postsecondary coursework and workplace learning leading toward a postsecondary credential.
