Bill Description

The bill increases consolidation transition aid for districts that are reorganizing for operational or economic purposes from \$200 to \$424 per APU in the first year of consolidation and from \$100 to \$212 per APU in the second year of consolidation.

Assumptions

The values identified assume one consolidation every other year beginning in FY 2026. Aid cannot exceed a combined per adjusted resident pupil unit count of 1,500 students in the newly consolidated district.

Expenditure and/or Revenue Formula

SF82	FY26	FY27	FY28	FY29
Current Law	300,000	150,000	300,000	150,000
Proposed Law under SF82	636,000	318,000	636,000	318,000
Difference in Entitlement	336,000	168,000	336,000	168,000
Current	302,400	151,200	302,400	151,200
Final		33,600	16,800	33,600
Total Appropriation	302,400	184,800	319,200	184,800

Long-Term Fiscal Considerations

While this formula allowance more than doubles the per APU aid provided to districts in the process of consolidation and transition, the long-term fiscal impact is anticipated to be minimal, as there have been only two consolidations since FY 2021.

Local Fiscal Impact

Districts in consolidation and transition will receive aid based on the combined resident APU of the newly formed district, not to exceed 1,500 APU.
