

S.F. No. 1679 – Cooperation agreement for ice arena

Author: Senator Jason Rarick

Prepared by: Bjorn Arneson, Legislative Analyst (bjorn.arneson@mnsenate.gov)

Date: March 21, 2025

S.F. 1679 authorizes two or more school districts to apportion the levy attributable to the costs of cooperative operation of an ice arena among cooperating districts. Each cooperating district must report information about the apportionment to the commissioner.

Additional background information

Under current law, an individual school district may levy upon its own tax base for the net operational costs of an ice arena operated by that district.
