This bill reorganizes the North Koochiching Sanitary Sewer Board, which was established by an act of the legislature.

**Sections 1, 2, 4, 5, and 6** remove references to South International Falls and the Papermakers sewer district.

**Section 3** redistributes the three board members that had been appointed by South International Falls and the Papermakers sewer district. International Falls and the East Koochiching County sewer district will each appoint one additional member, and one member will be at-large and appointed by the North Koochiching sanitary sewer board.

**Section 7** repeals the definition of the Papermakers sewer district.

**Section 8** makes this section effective after approval by the governing body of the North Koochiching sanitary sewer board and the filing of the approval with the secretary of state, which is required for all special laws.
