

S.F. No. 1075 – Window glazing exception modification

Author: Senator Jeff Howe

Prepared by: Tim Greenfield, Senate Counsel (tim.greenfield@mnsenate.gov)

Date: February 7, 2025

S.F. 1075 amends the medical exception to Minnesota’s window tint restriction. Under current law, a driver or passenger’s prescription or medical statement for additional window tinting has an expiration of two years from the date of issuance. **S.F. 1075** instead permits the prescription or statement to identify the underlying medical condition as permanent or temporary, and if the vehicle’s driver or owner’s medical condition is a permanent condition, the prescription can be issued without an expiration date.
