

S.F. No. 1395 – Roadside signage for automatic external defibrillators authorized

Author: Senator Jeff Howe

Prepared by: Tim Greenfield, Senate Counsel (tim.greenfield@mnsenate.gov)

Date: February 14, 2025

S.F. 1395 authorizes certain locations to request a road authority place directional road signage to clearly mark the location of an outdoor public access automatic external defibrillator.

Section 1 specifies placement requirements, inspection and registration requirements to be considered a qualifying participant and requires the cost of installation and removal be paid by the location or business owner.

Section 2 requires the commissioner of transportation incorporate appropriate text and signage for outdoor public access automatic external defibrillators for the Minnesota Manual on Uniform Traffic Control Devices after consultation with key stakeholders.
