1.11 ~~gross income in excess of:~~

1.17 (2) \$41,000 for all other individuals.

1.18 (c) For the purposes of determining the ~~applicable percentage~~ income limit under
1.19 paragraph (b) ~~and subdivision 4, paragraph (a)~~, the commissioner must use the eligible
1.20 individual's adjusted gross income for the taxable year ending in the calendar year prior to
1.21 the year in which the individual applied for a rebate certificate.

1.22 **EFFECTIVE DATE.** This section is effective for rebates after December 31, 2024.

1.23 Sec. 2. Minnesota Statutes 2024, section 289A.51, subdivision 4, is amended to read:

1.24 Subd. 4. **Commissioner to issue rebate certificates.** (a) To qualify for a rebate under
1.25 this section, an eligible individual must apply to the commissioner for a rebate certificate
1.26 in the manner specified by the commissioner prior to purchasing an electric-assisted bicycle.
1.27 As part of the application, the eligible individual must include proof of the individual's
1.28 adjusted gross income for the taxable year specified in subdivision 3, paragraph (c). The
1.29 commissioner must issue a rebate certificate to an eligible individual stating the issuance
1.30 date, the applicable percentage, and the maximum rebate for which the taxpayer is eligible.

For a married taxpayer filing a joint return, each spouse may apply to the commissioner separately, and the commissioner must issue each spouse a separate rebate certificate.

(b) The commissioner of revenue may determine the date on which to open applications for a rebate certificate, and applications must not be submitted before the date determined by the commissioner. Beginning July 1, 2024, and July 1 of each subsequent calendar year for which there is an allocation of rebate certificates, the commissioner must allocate rebate certificates ~~on a first-come, first-served basis. The commissioner must reserve 40 percent of the certificates for a married taxpayer filing a joint return with an adjusted gross income of less than \$78,000 or any other filer with an adjusted gross income of less than \$41,000. Any portion of the reserved amount under this paragraph that is not allocated by September 30 is available for allocation to other rebate certificate applications beginning on October 1 to eligible applicants. If the number of eligible applicants exceeds the available allocation~~ of rebate certificates, the commissioner must allocate certificates through a random lottery.

(c) If a random lottery is used to allocate certificates as provided in paragraph (b), the commissioner must, by August 1, 2025, determine a suitable randomized method to allocate the certificates and must:

(1) detail the department's anticipated timeline for the lottery, including when applications for the lottery by an eligible individual must be made and when the commissioner anticipates distributing the certificates;

(2) establish a method for an eligible individual to apply for placement into the lottery;
and

(3) provide the amount of certificates available to be distributed by the department to the public.

(d) The commissioner must not issue rebate certificates totaling more than \$2,000,000 in each of calendar years 2024 and 2025, except any amount authorized but not allocated in any calendar year does not cancel and is added to the allocation for the next calendar year. When calculating the amount of remaining allocations, the commissioner must assume that each allocated but unclaimed certificate reduces the available allocations by ~~\$1,500~~ \$750.

~~(d)~~ (e) A rebate certificate that is not assigned to a retailer expires two months after the date the certificate was issued and may not be assigned to a retailer after expiration. The amount of any expired rebate certificates is added to the available allocation under paragraph ~~(e)~~ (d).
