

SF 2886 overview and comparison to current law

	<u>Current law</u>	<u>If SF 2886 were to pass</u>
Section 1 Amends 473.13, subd. 1	Transportation program forecasting information is submitted in three reports to the legislature: • Transportation Financial Review (473.13, Subd. 1(b)), submitted annually on August 15. • Metropolitan Area Transit Investment Report (473.4485, Subd. 2), submitted in even years. • Transportation Financial Review (473.13, Subd. 6a), submitted annually on January 15.	Transportation program forecasting information would be submitted in two reports to the legislature: • Metropolitan Area Transit Investment Report (473.4485, Subd. 2), submitted in even years. • Transportation Financial Review (473.13, Subd. 6a), submitted annually on January 15.
Section 2 Amends 473.13, subd. 6	Transit operating reserve information from replacement service providers are reported by December 15 to the Council and January 15 to the legislature (473.452).	Transit operating reserve information would be submitted by replacement service providers to the Met Council by December 15 and then included in the Met Council's Transportation Financial Review (473.13 , Subd. 6a), submitted annually on January 15.
Section 3 Amends 473.386, subd. 10	Metro Mobility expenditures for the prior two fiscal years are submitted in the Metro Mobility forecast (473.386 , Subd. 10), submitted annually to the legislature after the February and November forecasts. Metro Mobility expenditures for the prior four fiscal years are submitted in the Transportation Financial Review (473.13 , Subd. 6a), submitted annually on January 15.	Metro Mobility expenditures for the prior four fiscal years would be submitted in the Transportation Financial Review (473.13 , Subd. 6a), submitted annually on January 15.
Section 4 Amends 473.412, subd 3.	The Metro Transit Cleaning and Repair Standards report (473.412 , Subd. 3) is submitted October 1 annually. The Cleaning and Repair standards report (473.412 , Subd. 3) and Transit Safety and Rider Experience report (473.4077) both include recommendations regarding the transit rider code of conduct and the Transit Rider Investment Program (TRIP).	The Metro Transit Cleaning and Repair Standards report (473.412 , Subd. 3) would be submitted February 15 annually. This aligns with the due date for the Transit Safety and Rider Experience report (473.4077) and would provide more up to date information for the legislature to consider during the legislative session. The Transit Safety and Rider Experience report (473.4077) continues to include recommendations regarding the transit rider code of conduct and the Transit Rider Investment Program (TRIP).
Section 5 Repealer		<i>Repeals MN Statute 473.452 of the bill (as these requirements are being incorporated into Section 2 and MN Statute 473.13)</i>
