

S.F. No. 1494 – Requiring revision to the list of tests administered for determining the presence of a heritable or congenital disorder

Author: Senator Jeremy R. Miller

Prepared by: Erica Heikel, Senate Counsel (erica.heikel@mnsenate.gov)

Date: March 17, 2025

S.F. No. 1494 amends subdivision 2 of section 144.125 (Tests of Infants for Heritable and Congenital Disorders) by adding the requirement that the commissioner of health must include metachromatic leukodystrophy in the list of tests administered to infants as part of the newborn screening program.
