

S.F. No. 2499 – Modifying reporting of emergency medical services overdose data

Author: Senator Zaynab Mohamed

Prepared by: Erica Heikel, Senate Counsel (erica.heikel@mnsenate.gov)

Date: March 26, 2025

S.F. No. 2499 (amends Minn. Stat. § 144E.123, subd. 3; Review) permits the director of the Office of Emergency Medical Services to share certain prehospital care data, specifically incident level location data, with the Overdose Detection Mapping Application Program (ODMAP). ODMAP is managed by the Washington/Baltimore High Intensity Drug Trafficking Area and provides near real-time suspected overdose data nationwide.
