4.2 **Subd. 6. Reinstatement fees.** (a) A pharmacist who has allowed the pharmacist's license
4.3 to lapse may reinstate the license with board approval and upon payment of any fees and
4.4 late fees in arrears, up to a maximum of \$1,000.

4.5 (b) A pharmacy technician who has allowed the technician's registration to lapse may
4.6 reinstate the registration with board approval and upon payment of any fees and late fees
4.7 in arrears, up to a maximum of \$250.

4.8 (c) A pharmacy intern who has allowed the intern's registration to lapse may reinstate
4.9 the registration with board approval and upon payment of any fees and late fees in arrears,
4.10 up to a maximum of \$100.

4.11 ~~(e)~~ (d) An owner of a pharmacy, a drug wholesaler, a drug manufacturer, third-party
4.12 logistics provider, or a medical gas dispenser who has allowed the license of the establishment
4.13 to lapse may reinstate the license with board approval and upon payment of any fees and
4.14 late fees in arrears.

4.15 ~~(d)~~ (e) A controlled substance researcher who has allowed the researcher's registration
4.16 to lapse may reinstate the registration with board approval and upon payment of any fees
4.17 and late fees in arrears.

4.18 ~~(e)~~ (f) A pharmacist owner of a professional corporation who has allowed the corporation's
4.19 registration to lapse may reinstate the registration with board approval and upon payment
4.20 of any fees and late fees in arrears.

4.21 Sec. 5. Minnesota Statutes 2024, section 151.101, is amended to read:

4.22 **151.101 INTERNSHIP.**

4.23 **Subdivision 1. Registration requirements.** (a) Upon payment of the fee specified in
4.24 section 151.065, the board may register as an intern any natural persons who have satisfied
4.25 the board that they are of good moral character, not physically or mentally unfit, and who
4.26 have successfully completed the educational requirements for intern registration prescribed
4.27 by the board. ~~The board shall prescribe standards and requirements for interns,~~
4.28 ~~pharmacist preceptors, and internship training but may not require more than one year of~~
4.29 ~~such training.~~

4.30 (b) The board in its discretion may accept internship experience obtained in another
4.31 state provided the internship requirements in such other state are in the opinion of the board
4.32 equivalent to those herein provided.

5.1 Subd. 2. **Renewal requirements.** (a) Beginning January 1, 2026, an intern registration
5.2 expires on September 30 each year or when the intern receives a pharmacist license,
5.3 whichever is earlier.

5.4 (b) To renew an intern registration, the intern must file an application for renewal and
5.5 submit the fee established under section 151.065 on or before September 1 each year.

5.6 (c) If the board does not receive the intern's registration renewal application on or before
5.7 September 1 each year, the intern is subject to a late filing fee equal to 50 percent of the
5.8 renewal fee under section 151.065 in addition to the renewal fee.

5.9 (d) An individual who received an intern registration under the criteria in section 151.01,
5.10 subdivision 15, clause (1), and paid \$75 for the individual's application fee between May
5.11 1, 2024, and June 30, 2025, is not subject to the \$25 renewal fee for the first two renewal
5.12 cycles following the \$75 fee payment.

5.13 (e) If an individual is no longer enrolled in a doctor of pharmacy program accredited by
5.14 the Accreditation Council for Pharmacy Education, the board must terminate that individual's
5.15 intern registration effective the last date the individual was enrolled in a qualifying program.

5.16 (f) The board must not renew an intern registration unless the individual:

5.17 (1) has maintained current notices of employment for internship training with the board;
5.18 (2) submitted a progress report affidavit of the intern credit hours completed by June 15
5.19 each year;

5.20 (3) meets all other eligibility criteria for a pharmacist intern; and
5.21 (4) demonstrates to the board's satisfaction the individual is in good faith and with
5.22 reasonable diligence pursuing a degree in pharmacy or is completing a pharmacy residency
5.23 or fellowship.

5.24 (g) An intern whose registration has lapsed may renew the intern registration within one
5.25 year of expiration, subject to the fees in paragraph (c). An intern whose registration has
5.26 lapsed for more than one year must meet the registration requirements for an initial intern
5.27 applicant in effect at the time the individual applies for reinstatement and pay any fees and
5.28 late fees in arrears in accordance with section 151.065.

5.29 (h) If the board receives a late renewal, reinstatement, or initial intern application from
5.30 an eligible individual within 90 days before September 30, the board may extend the
5.31 registration expiration date for that applicant to September 30 of the subsequent calendar
5.32 year and prorate the application fee accordingly.

6.1 Subd. 3. **Internship credit hour requirements.** (a) To apply for licensure as a pharmacist
6.2 under section 151.10, an individual must complete at least 1,600 intern credit hours under
6.3 the direction and supervision of a preceptor.

6.4 (b) Of the 1,600 credit hours required under this subdivision, an intern may earn:

6.5 (1) a maximum of 80 credit hours in the individual's first professional academic year
6.6 for a structured experience directed by the college of pharmacy that the individual attends
6.7 and is overseen by college faculty, registered preceptors, or supervising licensed pharmacists;

6.8 (2) a maximum of 400 credit hours of concurrent time internship; and

6.9 (3) a maximum of 54 credit hours per week that may be earned from more than one site.

6.10 **Sec. 6. REPEALER.**

6.11 Minnesota Rules, parts 6800.5100, subpart 5; and 6800.5400, subparts 5 and 6, are

6.12 repealed.

6800.5100 DEFINITIONS.

Subp. 5. **Pharmacist-intern; intern.** "Pharmacist-intern" and "intern" mean:

- A. a natural person satisfactorily progressing toward the degree in pharmacy required for licensure;
- B. a graduate of the University of Minnesota College of Pharmacy, or other pharmacy college approved by the board, who is registered by the Board of Pharmacy for the purpose of obtaining practical experience as a requirement for licensure as a pharmacist;
- C. a qualified applicant awaiting examination for licensure; or
- D. a participant in a residency or fellowship program, not licensed to practice pharmacy in the state of Minnesota, who is a licensed pharmacist in another state or who is a graduate of the University of Minnesota College of Pharmacy or another pharmacy college approved by the board.

6800.5400 TRAINING.

Subp. 5. **Competencies.** Upon registration, interns and preceptors will be furnished a copy of the board's internship manual, which lists the minimum competencies that should be the focus of internship training. The competencies are furnished to suggest appropriate types and order of training experience and shall be used to ensure that the intern's practical experiences are commensurate with the intern's educational level, and broad in scope.

Subp. 6. **Evidence of completion.** Applicants for licensure as pharmacists who are examined and licensed after September 17, 1973, shall submit evidence that they have successfully completed not less than 1,500 hours of internship under the instruction and supervision of a preceptor. Effective May 1, 2003, candidates for licensure shall submit evidence that they have successfully completed not less than 1,600 hours of internship under the direction and supervision of a preceptor. Credit for internship shall be granted only to registered interns who have completed the third year of the five-year or six-year pharmacy curriculum, provided, however, that:

- A. no more than 400 hours of concurrent time internship will be granted to an intern; and
- B. 800 hours of internship credit may be acquired through experiential education program experiences that do not have as their focus traditional compounding, dispensing, and related patient counseling activities. The remaining 800 hours of the 1,600 hour total requirement must focus on traditional compounding, dispensing, and related patient counseling activities.
