1.23 ambulance service, including but not limited to costs related to personnel, supplies and
1.24 equipment, fuel, vehicle maintenance, travel, education, and fundraising.

1.25 (h) "Other revenue" means revenue from any revenue that is not insurance revenue,
1.26 including but not limited to grants, tax revenue, donations, fundraisers, or standby fees.
1.27 Grants awarded under this section must not be considered to be revenue.

1.28 Subd. 2. **Program establishment.** An ambulance operating deficit grant program is
1.29 established to award grants to applicants to address revenue shortfalls creating operating
1.30 deficits among eligible applicants.

1.31 Subd. 3. **Account established.** An ambulance operating deficit account is created in the
1.32 special revenue fund in the state treasury. The director shall credit the account appropriations

2.1 and transfers to the account. Earnings, including interest, dividends, and any other earnings
2.2 arising from assets of the account, must be credited to the account. The director shall manage
2.3 the account.

2.4 **Subd. 4. Licensee providing specialized life support services excluded.** Licensees
2.5 providing specialized life support services as described in section 144E.101, subdivision 9,
2.6 are not eligible for grants under this section.

2.7 **Subd. 5. Other licensees excluded.** Licensees whose individual primary service areas
2.8 are located mostly within a metropolitan county listed in section 473.121, subdivision 4, or
2.9 within the cities of Duluth, Mankato, St. Cloud, or Rochester are not eligible for grants
2.10 under this section.

2.11 **Subd. 6. Application process.** (a) An eligible licensee may apply to the director, in the
2.12 form and manner determined by the director, for a grant under this section.

2.13 (b) A grant application made by a government licensee must be accompanied by a
2.14 resolution of support from the governing body.

2.15 **Subd. 7. Director calculations.** The director shall award grants only to applicants who
2.16 provide verifiable evidence of an operating deficit in the last completed state fiscal year for
2.17 which data were provided to the director. The director may audit the financial data provided
2.18 to the director by applicants, as provided in section 62J.49. A grant awarded must not be
2.19 more than five percent more than any previous grant without special permission from the
2.20 director.

2.21 **Subd. 8. Grant awards; limitations.** (a) Grants awarded under this section to eligible
2.22 applicants may be proportionally distributed based on money available. Total amounts
2.23 awarded must not exceed the amount in the ambulance operating deficit account.

2.24 (b) The director shall award grants annually.

2.25 (c) The director must not award individual grants that exceed the amount of the grantee's
2.26 most recent verified operating deficit as reported to the director.

2.27 **Subd. 9. Eligible expenditures.** A grantee must spend grant money received under this
2.28 section on operational expenses and capital expenses incurred to provide ambulance services.

2.29 **Subd. 10. Report.** By February 15, 2026, and annually thereafter, the director must
2.30 submit a report to the chairs and ranking minority members of the legislative committees
2.31 with jurisdiction over health finance and policy. The report must describe the number and
2.32 amount of grants awarded under this section and the uses made of grant money by grantees."
