

Legislative year	Changes to the state grant levers
2013	-Assigned student responsibility changed from 46% to 50% -Tuition maximum and living and miscellaneous expense allowance (LME) set in session law. Maximum for a 4-year program set at \$13,000, two-year set at \$5808, and LME set at \$7900 for each fiscal year of the biennium ending June 30, 2015.
2015	-LME put in statute: "If no LME in law, equal to the federal poverty guidelines (FPG) for a 1-person household for 9 months." -allowed OHE to increase tuition and fee maximum if there was a surplus appropriation
2016	-Deleted the "tuition and fee maximum" language passed in the previous session.
2017	-LME changed to "101%" of the FPG...
2019	-LME changed to "106%" of FPG...
2021	-LME changed to "109%" of FPG -excludes developmental or below college-level courses from the courses that count against the semester cap
2023	-LME changed to 115% of FPG... -ratio changed for part-time students (prorate the ratio of the credits enrolled to the number of full-time credits, instead of the actual number of credits the student is enrolled) -language providing awards for 8 semesters changed to 180 credits
