

UNIVERSITY OF MINNESOTA HEALTH

We provide comprehensive, hands-on training to future health care professionals, create health care breakthroughs through basic and translational research, and provide the highest-quality, innovative patient care.

AT THE UNIVERSITY OF MINNESOTA, WE:

- Uniquely integrate education, research, prevention, and clinical care across the entire continuum—from the lab to the bedside, and from primary care to specialized services that take on highly complex care that community hospitals entrust to the University.
- Actively engage with communities statewide on the issues that matter to them, co-creating new solutions such as treatments and cures, prevention and care models, and advising on policies to enhance the overall health of Minnesotans.

SERVING MINNESOTA

As one of America's leading research universities, we continue to be committed to bringing life-changing innovations and life-saving care to Minnesotans in ways only we can.

FOSTERING A HEALTHIER MINNESOTA THROUGH EDUCATION, ACCESSIBLE CARE, INNOVATION, AND PARTNERSHIPS

We place Minnesota’s health at the center of what we do. We’re dedicated to collaborating with the State of Minnesota, health systems, and communities across the state to ensure everyone has access to top-quality health care.

Our unique breadth of health sciences schools and programs cover all aspects of training and health care. By leveraging our interdisciplinary and interprofessional approach, we aim to provide the best possible experience for our students and the highest quality care for Minnesotans.

WE TRAIN MINNESOTA’S HEALTH PROFESSIONAL WORKFORCE

HEALING. EDUCATING. DISCOVERING.

- Our **School of Dentistry** provides care for over 115,000 patient visits per year.
- Our **Medical School** sees patients in every county in the state through M Physicians.
- Our **School of Nursing** has the state’s only PhD program and with its #8 ranked Doctor of Nursing Practice (DNP) program is Minnesota’s leading source of new nursing faculty.
- Our **College of Pharmacy** is the #6 pharmacy school in the U.S. with pharmacy, occupational therapy, and medical laboratory science programs, providing education and clinical outreach throughout greater Minnesota.
- Our **School of Public Health** is Minnesota’s only school of public health and #6 ranked public school in the U.S.
- Our **College of Veterinary Medicine** is ranked #4 in the U.S., #12 best in the world, and welcomed nearly 34,000 patient visits last year.
- Our **Interprofessional Centers of Excellence** are leaders in cancer research, medical technology, health coaching and more.
